# Lent course: Seven Last Words of the Cross

Our lent course this year explores the final words spoken by Jesus on the cross. These final sayings open up themes of mercy, hope, belonging, suffering, vulnerability and trust.

Each session offers space to think, to question, and to talk together about what these words might teach us about God, about ourselves, and about how we live. All are welcome – no prior knowledge needed, just a willingness to reflect and listen.

Five Wednesdays from February 25th.  
Refreshments from 10.15am. St Crispin's Chapel.
