Do you need help with small repair work? Things that may be too small for larger contracting companies to come out to. If so, we may be able to help you.

What can we do?

- Handyperson work – smaller jobs like fixing curtain rails and blinds, putting up shelving, changing light bulbs, fixing loose floorboards.
- Minor adaptations work such as fitting a grab-rail or additional banister rail.
- We may be able to help with larger jobs too – just talk it through with our friendly team. Things like:
 - ✓ Fitting new doors
 - ✓ Making and fitting new gates
 - ✓ Replacing rotten floorboards
 - ✓ Fitting or fixing small areas of fencing
 - ✓ Repairs to sheds
 - ✓ Internal door repairs / replacement

There is a charge for the service – please contact our office for more details.

This work is managed and delivered by Homewise, which is a local charity and a home improvement agency that operates in many parts of East Lancashire. **We work in Hyndburn, Rossendale and Ribble Valley.**

You can contact us directly on 01254 232249 or email info@homewisesociety.org.uk to request our help.

We are an independent purpose-built small animal veterinary practice, owned and run by vets. We opened in June 2023 and focus on providing first class veterinary care to our patients and their owners at affordable prices. With a combined 32 years experience we provide consistency of care between our two vets Dr Claire Batty MRCVS and Dr Sian Smith MRCVS who offer GP veterinary care, but in addition surgical and ophthalmology referrals.

Our dedicated team of four Registered Veterinary Nurses offer consultations for post operative checks, 2nd vaccinations, nail clips and anal gland expression; plus dental, weight, diabetic and senior pet clinics.

Our facilities include 4 consultation rooms, separate dog, cat and exotics wards, a general operating theatre, orthopaedic theatre, a dental suite with dental x-ray and an imaging suite with digital x-ray and ultrasound, plus an in-house laboratory.

We also have the Bowland Pet Club, which for a regular monthly fee (£12.50 rabbits, £15.50 cats, £17.50 dogs) covers the costs of preventative health care such as vaccinations, flea, tick and worming treatment, plus other discounts.
