Lay Reader: Richard McPhee

Authorised Worship Assistants:

Isi Saunders & Lizzie Baker

Authorise Pastoral Assistant: Isi Saunders

Christmas Carol Service

It was a full church as the community of Felthorpe came together to celebrate Christmas with carols and the story of the nativity. Thank you to those who helped with the refreshments and behind the scenes to make this such a joyful time.

Plough Sunday

It was great to see those who came along to this special celebration service which included the blessing of the plough, for all who work in farming and on the land. Somehow 4 tractors and 2 ploughs parked in the space outside St Margaret's Church! So a special thank you to those who brought along the tractors and ploughs and parked amazingly! The vehicles certainly brought the service and rural community we're in to life in such a special way.

February 2026

Election of Church Wardens

Sunday 8 March, 4pm

Would you like to help St Margaret's Church remain open? Can you help work with Margaret (the Rector) on the upkeep of the church and churchyard? If so, do contact Margaret to find out more about becoming a Church Warden and/or for a nomination form.

Lighting and Electrics Upgrade

Following last year's electrical testing, there is urgent upgrading required to future proof safety of the electrics in the church. The work is costing around £1,300.

The opportunity to upgrade to LED lighting is also being undertaken; this is £2,710. A grant has been applied to cover up to 50% of the lighting work. The PCC are waiting the outcome.

If you'd like to make a donation to help your local church become safe, please use the QR code alongside or a donation can be made to Felthorpe PCC by cheque or BACs (contact Margaret for bank details).

Thank you.

A donation from the Boxing Day charity run race organised by Neil has been received.

Thank you to everyone who took part and to Neil for making us one of the beneficiaries; it will go towards the electrical work!
