Dear Friends,

We have a lovely new library tucked cosily behind the welcome desk at Braunston Church. During this month, I'll be sorting it into various sections, creating shelf labels, a self-checkout book for borrowing, and putting together a catalogue. But please do start using it!

There is something there for everyone, from visual reflections on the Psalms with lovely nature photography, to tools to help you read you Bible, to short introductions to spiritual writers like Julian of Norwich and Hildegard of Bingen. There is also a developing children's section.

Have a browse! You never know what treasures you may find, and what God will give you through time spent with a book in your hands. My prayer is that you will find invitations into deeper, fuller, and more refreshing times being held in the love of God.

### Diocesan Lent Course – The Beatitudes

The Beatitudes are a short but profoundly beautiful and influential collection of sayings by Jesus.

Join the Diocesan mission team online, as we explore the pattern of blessing, vocation and promise revealed through Jesus' own life and ministry. Important, subversive and revolutionary, the Beatitudes challenge and prepare us for a lifetime of learning more about God's love revealed in Jesus Christ, and what it means to be his disciple.
