Reverend Nathaniel's welcome

May is one of my favourite months, partly because it is the anniversary of me joining the Benefice. It is strange to think it has been almost a year since I was installed as vicar of the Benefice. The time has passed more quickly than I could have imagined, and it still feels like I am getting to know the area, people and communities. It has been a wonderful year, and I am sure is the first of many more.

This anniversary is not the only reason I enjoy May so much. It is also the month of my Birthday. I normally don't do anything extravagant for my birthday, normally some time with friends and family with a bit too much cake and food. For Birthdays, installations as incumbent (or when you have both at once), and other major events people normally send out invitations; to invite the people we care about to join in our celebrations. Invitations tell people what is happening, and give the offer to join in, to be welcome.

Within our benefice there are many events to invite people to in May: the Church walking day, from Mellor Brook community centre to Balderstone Church; the Choir Fundraiser of Mellor's Marvellous Musical Melodies; our Ascension Day service on 14th May; our weekly events like bell ringers, choir, Tuesday Eucharist; our monthly events like Little Angles and Mother's Union meetings; and of course, our Sunday services.

At the end of May, we will celebrate the feast of Pentecost, when the Holy Spirit came upon the disciples and they continued the work of inviting everyone to God's love and peace. It is an invitation that is open to everyone, and as a Church, part of our being followers of Christ is to invite others, and welcome them when they come. As we (hopefully) continue to enjoy the sunshine and beauty of May, as we gather for Celebrations and regular event, as we meet on in prayer on Sundays, who can we invite to join us, how can we share Christ's invitation and love?

Annual Parochial Church Meetings

The benefice APCMs are coming up. These are important meetings in the governance of our parishes. At these meetings there will be reports on the church over the last year as well as the elections of PCC members and Church wards.

Everyone is warmly welcomed to attend.

If you are interested in servicing in the leadership and governance of the parishes as a PCC member or Church warden, please do speak to Nathaniel, or one of our current PCC members, to find out more about what this will involve, as well as to get a nomination form if you wish to stand.

If you would like to stand for election as a PCC member or church warden, or if you would like to vote in those elections, you will need to be on the Electoral Roll.

The APCM dates are:

- St Leonard's Balderstone: 13th May at 7.00pm
- St Leonard the Less Samlesbury: 17th May at 5.00pm
- St Mary's Mellor: 26th May at 7.00pm

St Leonards Church, Balderstone

Forest School

We were delighted to welcome Rev'd Sarah O'Donoghue, Diocesan renewal officer for Blackburn Diocese, to our Forest Church service. The theme of our service was Leading the way – very appropriate as Rev'd Sarah is part of the Leading your Church into Growth team.

This Spring, we have had a mother duck nesting in our churchyard. She found a warm, sheltered place to build her nest inside a compost bin! We learned lots of interesting information about ducks such as the mother duck plucks feathers from her own breast to line her nest. She must lead her ducklings to find food.

They instinctively follow her as they recognise her shape and call. The doting mother tries to keep them together by quacking up to 200 times a minute! We heard how Doris the duck, on David Attenborough's Secret Garden, bravely distracted a hungry otter putting herself in danger to keep her 9 ducklings safe.

While our mother duck was nesting, we left her in peace. Going too close might have made her panic and leave the nest leaving it vulnerable to predators. Fortunately, the eggs have hatched and we hope that they are now enjoying life swimming in the brook. Consequently, we were able to visit the nest and see how beautifully it was constructed with twigs, leaves and feathers.

We wanted to help our Balderstone birds with their nest building, so we hung an RSPB Woolie the sheep in our Butterfly, Bird and Bee garden to provide sheep's wool, a great insulator for bird's nests.

In our Bible reading, we heard how Jesus described how a shepherd leads his sheep. Just like a mother duck with her ducklings, the shepherd cares deeply for his flock. He knows the name of each sheep. When he calls them into the safety of the sheepfold or leads the way to find food, the sheep follow because they know and trust him. In Jesus' time the shepherd would lay down and act as a gate to keep them safe in the sheepfold. He would risk his own life to protect the sheep from wild animals and robbers.

United Benefice Magazine – May 2026

Rev'd Sarah explained that Jesus used the image of the shepherd to show what sort of leader he would be. Jesus is the shepherd and we are the sheep. Jesus knows and cares deeply for each one of us. He wants us to listen to him and follow where he leads us. He calls us to follow him and avoid things that lead us away from him. He also used the image of the gate of the sheepfold. Jesus said that he is like the gate. Only he can give life in all its fullness.

Time to sing and the words were perfect - "Shine.. You know me, you love me, you fill me, so send me!" The children enjoyed making invitations to Church Walking Day, Alpaca wool willow circles for nesting birds and everyone worked together to complete an RSPB 500 piece Birds of the Year jigsaw. Our chocolate nest cakes were extremely popular and our wonderful knitting group knitted more squares to make another blanket for International Aid.

Our next Forest Church service will be on Sunday 28th June at 4pm.

Everyone welcome!

Balderstone & District Women's Institute

The Balderstone & District WI continue to thrive and be as active as usual!

The craft group have had a session on embroidery black work where you can actually use coloured threads too, and at another session some ladies attempted sugar paste craft, making arum lilies and sweet pea flowers which was enjoyable but quite complex.

The monthly coffee morning at The Millstone is a great time to chat and we meet at 10.30 on the 2nd Thursday of each month. It's a great opportunity for new members to get to know us better.

We had a very interesting & informative talk from Roger Hussey, who returned from Lancashire Constabulary to continue to explain about how to protect ourselves from scammers. It gave us all much to think about and consider. One suggestion was to set up a family password to ask suspected scammers for, as they will be stuck to answer that, even if you don't have one!

The Strollers took the bus to Skipton where they had a wander and lunch.

The Walkers group are on the bluebell search at the end of the month in Spring Wood, Whalley, then they're walking to Clerk hill, Nick of Pendle and back down via Wiswell with a picnic en-route during the 6 mile hike.

Socially, we are planning to go to Piece Hall, Halifax and Queen's Mill Museum in Burnley later this year.

Balderstone Social Committee

On Saturday 9th May, we will be holding our annual Walking Day. We'll be meeting at Mellor Brook Community Centre at 2.15pm and setting off at 2.30pm to walk down to Balderstone School.

This year, we're delighted that Thwaites Shire Horses will be leading us down to school and Balderstone Brass Band will be meeting us there.

There'll be a short service on the playground and then refreshments and races on the field.

We'll be holding a raffle with some great prizes including vouchers for meals at Tiggis and The Bluebird. A big thank you to both these restaurants for supporting the event.

Come along and join us for a wonderful community afternoon!

Later in the summer, from 13th June to 11th July, it'll be open gardens month in and around Balderstone. If you or anyone you know, would like to open your garden, please contact me. It doesn't have to be perfect; it's just a chance to come together and enjoy our beautiful surroundings. Funds raised will go to the charity Parkinsons UK and church.

We look forward to seeing you at Walking Day!

Balderston St Leonard’s Primary School

We are enjoying the Spring weather here at Balderstone. We have taken lots of our learning outside. Forest school activities continue to be a huge part of our curriculum offering, and it is even better when we get chance to toast marshmallows!

It’s also great when we can get outdoors for science, art and even RE!

Our Stewardship Squad have been busy making sure our school grounds and local area are litter free, and it is always exciting when members of our school family bring in baby animals to show us. It is great to celebrate God’s wonderful creation and we give thanks for all of the wonderful parts of his world.

Food for life

We have achieved our Bronze Food for Life award. This is awarded for promoting healthy, sustainable food education. At Balderstone, we grow, cook and learn about where our food comes from, and the children have an active role in shaping their lunchtime experiences in school. The School Council have been fantastic at putting forward new ideas to make the lunchtime experience at Balderstone an enjoyable one.

All the children in the juniors joined in with online farming workshops to discover more

about how we get our food.

We also took a group of children to the Fairtrade conference at County Hall to think about where some of our food is grown and how we can make informed decisions when buying products so that farmers receive a fair price for their hard work.

Our latest Sporting Award

We were delighted to receive this trophy for Equal access because of the opportunities we provide for girls to play football and enter football competitions.

We love sports here at Balderstone and pride ourselves in being as active as possible and encouraging all of our children to participate in sports clubs and activities.

Mellor St. Mary's

Little Angels

We enjoyed celebrating our 28th birthday this month with fun activities like passing the parcel, patting balloons, playing and sharing together, and cutting our birthday cake.

As always, it was lovely to welcome our regular little angels: Charlotte and Henry, George and Clemmie, Harriet and Eddie and William. This month, we were delighted to welcome Grace and Poppy as well as new baby, Darcy Jay.

Charlotte and George were excited to share the news that they had received a golden ticket guaranteeing a place at St. Mary's school in September...a happy day.

Mellor Mothers' Union

The Mother's Union meeting on 14th April was opened by Christine Redwood who led prayers and our hymn which prepared members for the interesting evening of music to come.

Christine introduced Judith Marr, who had put together a video of "Songs from Stage and Screen." The music ranged from 1955 up to the present day and included some all-time favourites along with a short section of the film. The first song from the film 'South Pacific', which came out in cinemas in 1958, showed the loveable character 'Luther Billis' (Ray Walston) singing "Nothing like a Dame" and a few members joined in.

"Oklahoma", made in 1955, was the second film sequence shown and more people joined in with "Oh What a Beautiful Morning."

The songs continued and Margaret Baldwin encouraged us to sing up so by the time "Mama Mia" and "Dancing Queen" were played, audience participation was at its height.

Many other favourites were played for us and then we were indulged with the "Royal March of the Lion", the opening movement from "The Carnival of the Animals" and Rodrigo's Concerto from "Brassed Off". The evening ended with members swaying and arms waving as "You'll Never Walk Alone" came on from the film Carousel and now adopted by Liverpool Football Club as their anthem.

Jane Bury thanked Judith for a very lively enjoyable evening and said the music had evoked many memories for the members and then presented her with a bouquet of flowers in appreciation.

Deputy Roving Reporter

The Mothers' Union "Wine and Cheese Evening" held on 10th April was a very friendly and successful event. Our guest Sherri Lee added a little glamour and much entertainment to the evening which raised £697 to be divided between National and Diocesan MUs and Mellor PCC.

We are very grateful to all who gave us so much support.

Margaret Ashton (Mellor St. Mary's MU Branch Leader).

Mellor's Marvellous Musical Melodies

St. Mary's Mellor Church Choir invite you to come along and join in the singing at our Mellor's Marvellous Musical Melodies evening, at 7:00pm on Friday, May 15th. There will be entertainment from the Church Choir, Day School Children, and Balderstone Brass Band.

There will be Refreshments and a Raffle. Tickets £5. Everyone will be welcome.

The Card Ladies

This month we have donated £25 to the North West Air Ambulance in memory of Terry Alderley, and we need to thank everyone who support our Easter event by buying so many of our cards and novelties. And of course, a big "Thank you" to everyone who made the lovely novelties for us to sell.

We will shortly be making more donations in memory of some of our missed congregation members.

Mellor St Mary school

When schools are so busy, it can be very hard to select a few of the amazing things that have taken place over the last few months to share with you. So this month, in the style of Top of the Pops, I have tried to make up our own Mellor St Mary Top Ten, in both words and pictures! We hope you enjoy reading all about them.

<p>1: Let's Go Sing – What an amazing event for our Class 3 and Class 4 children who performed a variety of songs along with other schools at Blackburn Ice Aren in March – and it wasn't even cold!</p>	<p>2: Easter Eggs Competition. This year FOSMS, with the kind help of Mrs Metcalf, organised an Easter egg competition, which was great fun and a huge success. The variety of entries was vast, and Rev Nathaniel had a very hard job selecting the winning entries.</p>
<p>3: Talent show - Well done to the winners of this year's Mellor Talent Show, Hawa in KS1 and Bobbie in KS2. The variety of talent in our school knows no bounds and it is always a joy for our independent judges to watch all the acts and decide on their overall winners, which thankfully did not include the staff act!</p>	<p>4: Chocolate Bingo - £410.30 was raised from our first ever Chocolate Bingo event where 100 adults and children took their dabbers in hands hoping to win a chocolate hamper for either a line, two lines or a full house.</p>
<p>5: Easter worship – We had a wonderful Easter worship in St Mary's Church, kindly supported by Rev Nathaniel, where each class retold a section of the Easter Story, from EYFS rein acting Jesus riding on a donkey on Palm Sunday, to Year 6 talking about the Resurrection on Easter Sunday, with all the other year groups performing songs, poems and words to reflect all the events in between</p>	<p>6: Author visit – Year 5 and Year 6 meet the Rev Richard Cole at Westholme to a chat about this new book 'A heist before Bedtime' as well as to answer questions about his life and career, including his stint as a pop star in the 1980s and his appearance on I'm A Celebrity Get Me Out of Here in 2024. All the children received a signed copy of his new book, which they can't wait to read.</p>

7: Charity fund raising – this year we have continued to support Blackburn Food bank and have, over the period of Lent, donated 20.5KG of foods and goods which is on top of the 44KG already donated to them this year. As well as this, we have raised £1526 for Children in Need and just over £200 for Comic Relief, through a non-uniform day, as well as £150 for the British Legion selling Poppy merchandise and £180 for Save the Children by wearing Christmas Jumpers.

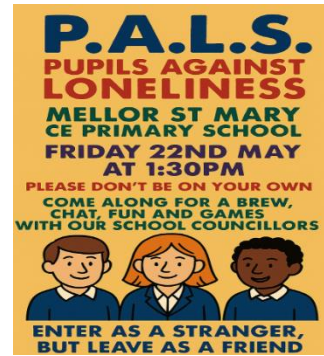

8: Sporting events – This year, we have been busy attending Ribble Valley competitions and events such as new age curling, gymnastics, glow dodge ball, athletics, Panathlon, netball, football, cross country and swimming. We are also particularly proud of being recognised as a fully inclusive school, where children with additional needs are selected to represent us in most of these events too. As always, we might not win every event we enter, but our children have a very good time trying

9: History training – The teaching staff having been having lots of ‘educational fun’ with the trainers from Lancashire’s Heritage Centre, learning all about how to develop our children’s awareness, skills and interests through historical enquiry skills. They have even learnt how to act out all the key periods of history from the beginning of time to the present day in 2 minutes flat.

10: PALS – Our final PALS event of this academic year will be talking place on Friday 22nd May. Thank you to all those who have turned up each term to support us, and if you haven’t been yet, then we look forward to meeting on the 22nd. Remember, if you live on your own, or would like some company for the afternoon, then please come along to make some new friends both young and old.

Love Stories: Real people whose love of God enables them to make a significant difference to other people's lives.

Janet Wilson.

Janet Wilson grew up on the South coast of England and became a Christian when a friend invited her to church when she was 13. She has always loved reading and dreamt about stories that she could write. As she grew up, she studied English and became an editor for a publishing house in London so moved there.

When her children were small, she looked for good Christian stories that were relevant to the world today and found that they were few available. So, she thought someone ought to do something about that! But time went on with the business of life until in 2003 her first husband died suddenly and things changed. Janet realised that God was asking her to write and publish Christian stories for children and that, as life could be limited, she had better get on with it.

So, she set up Dernier Publishing (<https://dernierpublishing.com/>), beginning with her own novels, so she didn't ruin anyone else's stories while she was on a sharp learning curve! Now there are eight authors and lots of exciting titles – all with an element of faith mixed in."

Janet also started a training course through the Write For a Reason Academy where she helps and supports new writers perfect their stories for publication. She is also the Chair of Trustees for Europe for Media Associates International.

**DERNIER
PUBLISHING**

"MAI became a voice and a means, with God's grace and goodness, to help gifted Christians produce culturally relevant magazines, books and literature for readers in their own lands," co-founder and first MAI President Bob Reekie said. "Materials that grow from the soul and soil of each culture can begin to address the issues, concerns and priorities of readers."

Writing for children and teens is a challenge in today's world, but particularly for Christian fiction. It is a simple thing to do, to help children to explore their faith by buying and giving them books to read, especially for our church school libraries. In this way they can consider issues at their own pace and those stories may stay with them for a long time.

I planted the seed, Apollos watered it, but God has been making it grow. I Corinthians 3:6.
