REVD ANNE WRITES ...

Tourists and visitors come to this area from all over the world. I love seeing the walkers in the lanes as I drive past, and I'm already less keen on badly parked or poorly driven cars. I hear the local concerns about second homes and holiday lets, and I'm also aware that increasingly, the income from visitors and tourists is becoming important for our churches.

For many years before we moved here, we would visit Bourton on the Water for a day out. As tourists, we were looking for rest, relaxation and refreshing, before returning to the demands of work and home life. Seen from that perspective, our tourists and visitors are simply people in need. Looking for a warm welcome of course, and help in finding their way around. Looking for places to buy food and to find entertainment. But perhaps there is space on holiday to be surprised by something deeper and more spiritual. On holiday, one is often open to new experiences. There is the time and energy to wonder at the beauty of the churches.

Those feeling isolated in city lives might long for the friendliness of the village communities. Time to ponder those bigger questions of life to which they will soon return.

In the past two months, I have been warmly welcomed into numerous homes, experiencing for myself how well the churches across the Benefice welcome in the outsider and the stranger. Thank you so much for all you do to welcome visitors. Hospitality is a Christian virtue found here in abundance. Our beautiful churches are open daily, with Visitors' Books and space to sit to reflect and pray. They are not like museums or shops. They are sacred spaces, where generations before you have come, in sadness and in joy. If you are a visitor or a second-home owner in this area, my prayer for you is that you encounter here, all you need spiritually, and that you receive it with gratitude.

In Christ

Anne

CELEBRATION OF SUE'S MINISTRY

On Sunday 26 April at St Andrew's Church in Naunton we gathered together for a Benefice service to celebrate Revd Sue's ministry. During the service, many gifts and symbols of Sue's ministry were presented, and we were delighted to enjoy the harmonies of Village Voices. With

tea, cake and fizz afterwards it was lovely to be able to thank her for all that she has done for and been to our Benefice.

We shall miss her deeply.

WIDER CHURCH NEWS

New Chaplain appointed for Cotswold School

You'll have read in previous 70x7s about the exciting plan led by our local Deanery to appoint a Chaplain at The Cotswold School, where most of our local children attend for secondary education.

Well, the excitement has now reached fever pitch – not only were there 12 applicants, but after an intensive interview process, we have a confirmed appointee – **The Cotswold School is delighted to announce the appointment of Tim Fletcher as its new Chaplain, with the role beginning in Autumn Term 2026.**

You may recall that this role is a shared commitment between the Cotswold School, the churches of the North Cotswolds Deanery, ecumenical partners and the Diocese of Gloucester. The majority of funding comes from the Diocese and other sources, but we have our part to play, and our Chastleton Teas project is aimed at finding that “extra” funding from our benefice. So far, so good, and don't forget our upcoming Chastleton dates on 5th August and 8th October.

Tim joins the school from Sportily, a Gloucestershire-based faith and sports charity, where he currently serves as Sports and Faith Leader. Over the past five years, he has worked as a Pioneer Sports Minister, building partnerships with schools, churches and local communities, and creating welcoming spaces where children and young people can grow in confidence, wellbeing and faith.

Through his work with Sportily, Tim has led sports sessions, youth groups, Youth Alpha courses, community cafés, outdoor coffee hubs, public acts of worship, interactive faith-based activities and community chaplaincy.

Tim also brings direct school-based chaplaincy and ministry experience. He has worked for four years with Hardwicke Primary School, leading activities including Active RE lessons, prayer and reflection days, spirituality days, collective worship, transition work and leadership development programmes, and he currently serves as a school chaplain there. In addition, he has supported Severn Vale School through its

Christian Union gatherings, further strengthening his experience of working with young people in secondary education.

Tim holds a BA (Hons) in Theology, Mission and Ministry from Ridley Hall Theological College, Cambridge.

As Chaplain at The Cotswold School, Tim will work as part of the school's wellbeing team, supporting the emotional and spiritual wellbeing of pupils and staff, contributing to the pastoral life of the school, and helping to strengthen links between the school, local churches and the wider community. The role will serve the whole school community, including those of all faiths and none, creating opportunities for young people to engage with questions of faith, meaning and purpose.

For us, it is time to start thinking how we could invite Tim to support our own youth initiatives (remembering that he is only one person), and how we can best support him. Please continue to pray for Tim, the school and this important project.

NEWS FROM THE PEWS AND VILLAGE EVENTS

TEMPLE GUITING and CUTSDEAN

"The darling buds of May" ... It is so wonderful to see the green fields and trees and the blossom bursting forth. We are all blessed to live in such beautiful countryside.

A very successful afternoon selling teas and cakes at Chastleton. A huge thank you to all the helpers, and Moira for organising it all. The next date is Wednesday 5 August - do come and support us.

St Mary's Church Temple Guiting was beautifully decorated with flowers to celebrate Christ's Resurrection on Easter Sunday.

The celebration of Sue's ministry, held in St Andrews Church Naunton, was a very special Service. We all thank you Sue for your ministry with us, and hope you enjoy a well-earned rest and retirement.

The Tom 'Spats' Langham evening was very well attended. We all enjoyed listening to Tom playing his Banjo, Ukelele and Guitar and hearing his humorous anecdotes. A very good profit raised to support St James and St Mary's. Thank you Ros for inviting Tom.

Congratulations to Millie and Peter following their wedding on Saturday 16 May in St Mary's Church. A wonderful service with 160 guests in attendance, followed by the reception in the Marquee at Landgate House. May God bless them for a long and happy marriage.

The weather held for us all to enjoy the beautiful view from Little Farmcote when we visited for 'Brew with a View' raising money for Farmcote church selling plants, tea and delicious cakes. Thank you Lorna for organising.

Dates for your diary:-

Coffee mornings in the West End are now monthly with the next one on 5 June. Do come, enjoy coffee and homemade cake and meet your neighbours.

West End events continue with Chris Taylor giving a talk entitled "Kitchens, the heart of the home?" on 26 June. Details to follow.

There will be a Dedication Service for the new Tom Denny window in Temple Guiting Church on 2 August. Do come in and see the beautiful stained glass window.

The Safari Lunch will be held on 30 August.

FARMCOTE

These past few weeks have seen several arrivals and departures. We said "au revoir" to Sue Pestell after several years in the benefice as our Associate Priest. She and Rob will be much missed but we hope we shall see them both after her sabbatical.

We also said farewell to Peter and Sarah Loveday who are moving to Hampshire to be closer to their family. They both played an active part in the community, including Peter for a number of years as chapel warden and a member of the PCC. We wish them well and all happiness in their new home. We look forward to welcoming the family who have bought their house.

At the time of writing, we have just held a very successful Brew with a View. Sadly the chilly weather deterred some from admiring the view but thank you to the many from across the benefice who came and supported us, as well as providing delicious cakes, plants and cuttings. We raised a brilliant £858.

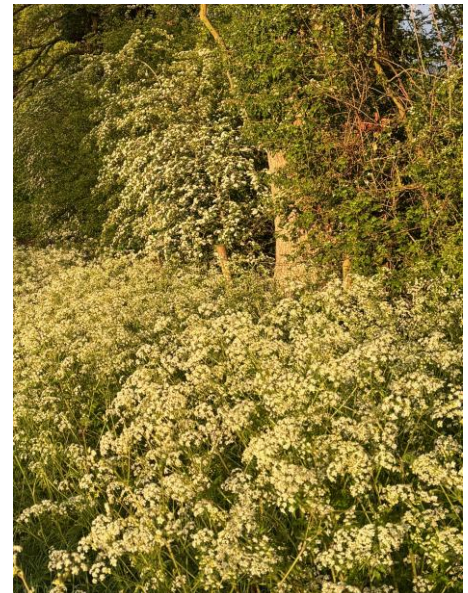

Revd Anne is keen we should engage with visitors to our churches. We at Farmcote see a lot of folk popping in to the church, even if not so many appear at our services. Recent discussion ensued about the welcome we offer visitors to our services. Several of us commented on the same local church, not in our benefice, which I shall not name. I was not alone in not being made to feel welcome. I believe our benefice is very good at

welcoming strangers but no doubt we could do more. We happened to visit a church in Norfolk recently which was obviously in need of expensive repairs but with a very small congregation. We were warmly welcomed after the service and a very friendly lady told us about the major renovation work they had been forced to do over the past 20 years, including lighting, heating and drains. It transpired her aunt used to live in Winchcombe! Small world.

UPPER SLAUGHTER

The weather over the past few weeks has felt more like March than May. After that lovely warm spell earlier in the spring, the sudden return of cold mornings, frosts and chilly winds has caught quite a few of us out. Penny von Holzing tells me this cold snap has a name in Germany: the Eisheiligen or “Ice Saints”. Across parts of Germany, Austria and Switzerland, farmers and gardeners traditionally waited until after the middle of May before planting out more delicate crops, believing that one final cold snap would arrive around the feast days of a group of saints, including St Pancras, St Servatius and St Boniface. Whether folklore or meteorology, it certainly seems to have proved accurate this year.

That said, even with the colder weather, the countryside has looked glorious over the past few weeks. The hedgerows are full of hawthorn blossom and cow parsley, all frothy white like the top of an over-enthusiastic cappuccino! For a few weeks every May, the lanes and fields around the village are at their absolute best.

Hopefully, by the time you are reading this, we will have finally left the Ice Saints behind us and be looking forward properly to summer and village events.

The main date for diaries is the Church Fete on Saturday 4 July, from 12–3pm on the banks of the River Eye. This is always one of the highlights of the village calendar and an important fundraiser, so do come along if you can. There will be BBQ burgers, Pimms, all the usual stalls run by villagers including the ever-popular Bottle Tombola, raffle and White Elephant stall, plus a bouncy castle for children, and perhaps a few child-like adults too! Up in the Village Hall, there will be teas, coffees and homemade cakes. (Donations for the White Elephant and Bottle Tombola would be gratefully received.)

And of course, there is the famous duck race, which never fails to attract plenty of competitive spirit and enthusiastic cheering from the riverbank.

By the time this edition of 70x7 is out, St Peter's bells will also hopefully have enjoyed a visit from St Marmaduke's, an occasional group of bell ringers who travel together to ring at different churches around the country.

Charlotte Van Rooyen & Paul Trenaman

NAUNTON

And where did the past couple of months go? It seems no time since we were in the season of Lent, and yet here we are; as I write Pentecost, celebrating the arrival of the Holy Spirit - and the end of Eastertide- is upon us. It has been a whirlwind of activity in our village, and much of it has been centred around St Andrews Church.

The village is green and lush; the blossom is spectacular; the river is home to ducks and ducklings, a heron and an egret - it's a joy to behold! Walkers are out in force, along with young people on their Duke of Edinburgh expeditions. Conversation especially with the former group reminds us of the beauty and uniqueness of our village.

In Lent St Andrews hosted a talk given by our two Lay worship leaders Ruth & Alasdair (accompanied by a Lay Reader from Winchcombe). Together and separately they spoke about their 'calling' and had us consider what might make each of us flourish. An interesting evening!

We also held our Benefice Easter Craft Activities on Good Friday, attended by 17 adults and 4 children. This year we made the Easter Garden (always a favourite), decorated cookies, made a collage and made Easter cards. Delicious seasonal refreshments were enjoyed, and the morning culminated in a short act of worship followed by an Easter Egg Hunt! It's always lovely to make new, and meet friends at these events and to watch the children grow.

On 12 April, worship included a joyful celebration of baptism for baby Lochy Riddell, who lives in the village with parents Lexy and Charlie. A privilege indeed to welcome them all especially Lochy to our St Andrews family. We look forward to watching him grow!

We had a bumper celebratory weekend at St Andrews 25/26 April. THREE very special services were held; the first was the wedding of Ben and Eleanor Hawkins, followed on the Sunday by the baptism of baby Isabel Lewis. And finally a Sue-lebration of Rev'd Sue's ministry as she 'retires'. The latter was followed with refreshments ... tea, cake and Fizz. It was glorious to see the Church so busy, so full of joy and flowers and music. A very special weekend indeed!

Elsewhere around the village, events such as the Garden Club (Dahlia talk from local writer Val Bourne), and the Progressive Supper keep everyone connected. We are holding an Open Gardens afternoon on Sunday 28 June - please do come along. There are some beautiful gardens with stunning views to visit AND of course tea and cake and plant sales.

We are also looking forward to our village Fun Day and Dog Show on 6 June. Once again we can assure you of a warm welcome!

Busy, busy, busy...

We remember our young people at this time of year, especially as they sit internal school and external public exams. We pray that they aren't anxious about these; that they know that simply doing their best will be enough.

Moira Anderson

QUITTING POWER

Spring is always a joyful time, even if our English weather can be somewhat "mismatched" to the seasons! We were lucky to be greeted with a beautiful day for Easter and Revd Anne's first celebration of our Dawn Holy Communion in the churchyard, one of the best attended that I have known. We were also blessed with a fine day for Revd Sue's celebration service at the opposite end of the month on 26 April. After a year of close

partnership during the Vacancy, I'm certainly feeling the lack of Sue's cheery presence.

At the beginning of May I enjoyed a wonderful treat; a day at the RHS Malvern Show, when again the sun shone. This was a very generous gift from my Benefice Central Team colleagues as a "thank you" for taking the lead during the Vacancy. Too generous, as everything we achieved was very much a team effort, and what a brilliant team too! In the company of Alasdair & Moira Anderson it was a joyful day to remember. Thank you!

Our Annual Parochial Church Council Meeting has been held, at which we thanked Peter & Pat Weale for their nearly twenty years of service as they took the decision to retire from the Council. We welcome in their place new members Lorna Eayrs and Richard Knee. Full election results are displayed on the church door.

For the Church, the season of Easter lasts long beyond the chocolate eggs and Bank Holiday, and it was a delight before the season ended to celebrate the Baptisms of Archie Eades and his father Nathan at St. Michael's on Sunday 17 May. Another joyful occasion with a full and

happy church, exactly as it should be. As it says in the order of service "we welcome you"!

Rogation is also celebrated during the Easter Season, and the week before on Sunday 10th we held our annual Barn Service at Guiting Manor Farms. Though walkers were fewer in number this year, the congregation for the service seemed much larger and enjoyed hearing about all that is happening on the farm. Thank you Nick and Simon for once again generously hosting us, and to Marion Marshall for

providing us with a delicious tea. In our beautiful surroundings it's easy to forget that farming is not always as easy and 'idyllic' as we may imagine and we hold our farming community in our prayers.

The sun has appeared on all these occasions bringing welcome breaks between some hefty showers, especially for the lambs in the fields. Now as I write, it feels as if we have skipped (no pun intended!) from early Spring into High Summer! The temperatures will certainly encourage everything to grow after the rain, and hopefully the good weather will last into June for our Open Gardens on Sunday 14 June (a week later than customary) and this year to be held at The Grange by kind invitation of Mrs. Jackie Dawson. Do come along for this rare opportunity to enjoy this beautiful setting and help swell the coffers for what is our most important fundraising event of the year for our church.

As Summer arrives in full, we also have the Fete & Fun Dog Show to look forward to on Saturday 20th June and looking on into July; the delights of the Guiting Music Festival from 24 July. Enjoy!

Simon Wallis

LOWER SLAUGHTER

How wonderful it is to see colour in the gardens with the bedding plants popping up everywhere. It is wonderful how a bit of colour and sunshine lift our mood - Mother Nature's actions never fail to amaze me, churning up new colours each season.

St Mary's church was a riot of spring colours at Easter - many thanks to all the flower ladies who made it possible. This year we celebrated at St Peter's on Easter Sunday. We are all getting to know our new Priest in Charge, Revd Anne, and enjoying new ways of worship.

On Sunday 26 April we said goodbye to Revd Sue Pestell as she retires from ministry. It was a lovely service with mixed emotions attended by over 70 people. We wish her and Rob a happy retirement and hope to see them both from time to time.

The Rogation service was well attended at Guiting Manor barn with lovely joyful hymns and a very informative and interesting talk from the farm manager on the crops and lambs of the farm.

Sadly our Village Fete will not be held this year due to a lack of new helpers so instead there will be refreshments in the village hall over the August bank holiday weekend. I will be on the village green holding a bottle tombola and any donations of bottles will be gladly received. The church will also be decorated with floral displays – please look out for posters nearer the time with further details.

Have a wonderful summer and enjoy all the summer sport.

Marion Marshall

TEMPLE GUITING SCHOOL

As we move through another busy and joyful term, we are delighted to share some of the special moments, achievements and memories from school life over recent weeks. There has been much to celebrate and be thankful for within our school community.

At the end of April, we said a moving "farewell for now" to Rob and Sue, celebrating all they

have done for our school community over the years, particularly through their support of our *Spread the Word* worship sessions. We reflected on the faithful guidance and encouragement Sue has given to so many of us, and the children shared some lovely thoughts about her. They described Sue as “always happy and never in a bad mood”, “amazing at remembering all our names” and “someone who loves us”. We were delighted to present Sue and Rob with a personalised vase featuring a child’s drawing of Noah’s Ark, which we hope will remind them of the love and appreciation we have for them. We wish them a well-deserved rest!

We also said farewell to Peter Loveday, who has volunteered in our *Spread the Word* worship sessions for the past eight years. Peter has been a much-valued and greatly enjoyed member of the team, and we wish him and his family every happiness as they begin a new chapter following their move. We were pleased to gift Peter a hydrangea for his new garden.

Across school, the children have been enjoying lots of exciting learning opportunities. Class 3 have been learning about the oceans and how we can help to protect them. They explored the Great Pacific Garbage Patch and enjoyed reading *Somebody Swallowed Stanley*, which teaches children that plastic **does not** belong in the ocean. They have also loved learning about ocean animals and marine life.

Our Year 6 pupils have now completed their SATs exams, and we are incredibly proud of them all for their hard work and determination. Year 1 and 2 pupils enjoyed a trip to Weston-Super-Mare as part of their *Seaside* topic, learning about beach holidays through history, while our youngest children have been exploring the exciting world of castles through stories and imaginative play.

We are now looking forward to our final term of the school year, with summer sunshine, exciting events and many more happy memories still to come.
