

*St Paul's Cathedral, as Patrons, are delighted to announce the appointment of the Revd Dumaeza Nhlapo as the next Vicar of St Mary, Willesden. This appointment is subject to satisfactory administrative processes.*

*Fr. Dumaeza serves as the Assistant Curate at St Michael and All Angels parish in Stoke Newington. He is married to Janet-Marie, and they have two children, Benai'ah aged 10 and Jeho'ash aged 13.*

*The panel was pleased to meet with Fr Dumaeza. They were particularly encouraged to hear of his passion for ministry with and to families, as well as compelling vision for what mission and ministry could look like at St Mary's, especially as a pilgrimage church.*
