St Mary's Gift Day 6th September 2026

We have so much to be thankful for when we compare ourselves to others around the world. Our Gift Day creates an opportunity for us to make a special gift over and above our regular giving. It reminds us emphatically of God's out pouring of generosity into our lives, and offers us a chance to respond through our own generosity.

St Mary's is a wonderful historic building, and we have a responsibility to ensure future generations can enjoy the building as much as we do. This inevitably means we have considerable maintenance costs not least the current need to fund the repairs to the roof.

We will all benefit from the project to repair the church roof. We all need a dry and comfortable space and not a welcome marred by buckets catching water, towels over large sections of the pews and a warning that the lights may fail at any point due to water damage in the electrical circuitry!

Quotes to complete the work on the roof and repair the associated internal damage total £40,000

A Gift Day provides a one-off opportunity for people to give a gift to the church in addition to their normal planned giving.

We invite everyone to prayerfully consider how much you can give; any gift, whether large or small is important. It is about coming together as a church family and community to give to this special place.

We realise that some people will understandably feel that their personal finances are simply stretched too far to make a monetary contribution. If that is the case for you, please consider offering a gift of some of your time or a particular skill, to contribute to the work of the church. Please speak with Rev Gerda or any member of the PCC about doing this.

If you are able to make a financial gift, donating through Gift Aid means that we can claim an extra 25p for every £1 you give. It will not cost you any extra!

If you are a UK Taxpayer, please complete the Gift Aid declaration on the reverse of the form to ensure the value of your gift is maximised.
