September 2026

My dear friends,

There were numerous thoughts going through my mind as I sat before this empty page and mused about the many thoughts that had been sewn in me by others about retirement.

My response to many of these comments is that I am blessed by only moving one bus ride away in the same city that on and off has been my home for 45 years: indeed when I contemplated moving a dear friend of mine convinced me how foolish that would be.

Thus it is, that I write for the final time thanking you for all the experiences of priesthood shared in the last fifteen years for whatever they may have been one can always learn and I expect this will be true in retirement ministry too!

The Wagner Group has always been dear to my heart . There is a planning meeting early this month for the 2027 dates; those of the Walsingham Pilgrimage have already been announced. With the Society Churches now reduced within our City I would urge you to support these events and I look forward to seeing you then.

With my love and Blessing,

J. Inver .

Pio of Pietrelcina
18187—1968

A 20th century Saint fondly known as Padre Pio this Capuchin Friar who spent most of his life at Rotondo dedicated to S John. He was much sought out for spiritual direction and was graced by the gift of The Stigmata (the wounds of Christ). He was beatified in 1999 and canonised in 2002. The same monastery, where his relics are now exposed is an important site of pilgrimage today.
