Harvest Donation Appeal – Help Us Support Local Families

We're currently asking for donations to help support families and individuals in our community who are struggling and could really use a helping hand.

In the first six months of this year 2026, we have provided 3182 food parcels to our guests, helping local individuals and families who are facing difficult circumstances.

Of these parcels:

- 1178 were provided to children
- 205 were provided to people aged 65 and over
- 532 were provided to carers

We would be incredibly grateful for donations of the following essential food and household items:

- 🍝 Pasta sauces
- 🍲 Cereals
- 🍪 Biscuits
- 🍫 Children's treats
- 🧴 Condiments
- 🍚 Microwave rice
- 🧻 Wet wipes
- 🍛 Curry sauces
- 🍊 Tinned fruit
- 🥫 Tins of soup
- 🍅 Tinned tomatoes

Every donation, no matter how big or small, can make a real difference to someone who is finding things difficult right now.

One of our guest Patrick, only comes in the foodbank when he is in real need, it can be weeks between visits. In Patrick's words we brighten his life each time he comes. He has really opened up over the last year or so, and now we have a greater understanding of his needs.

He's gone from coming to get food with no interaction at all barely making eye contact to now staying for a chat, talking about his life, his interests and his needs.

If you're able to donate, please consider picking up an extra item or two during your next shop. Together, we can make sure local families have access to food and essentials when they need them most.

Thank you so much for your kindness, generosity and continued support.
