Mission Focus – Link to Hope

Link-to-Hope is a Christian Charity Rebuilding Lives & Communities in Eastern Europe through Education and Social Care

Its aim is to combat poverty, give humanitarian aid and have special concern for the most disadvantaged:-

The poorest – especially people struggling to survive in poor villages that lack basic amenities that we take for granted.

The most vulnerable – especially children and the most marginalised groups in a community.

The most exploited – the families and individuals who are at the mercy of authorities and circumstances that they have no control over.

Prayer for the community

Living God,
Draw us deeper into your love;
Jesus our Lord,
Send us to care and serve;
Holy Spirit,
Make us heralds of good news.
Stir us, strengthen us, teach and inspire us to live your love
with generosity and joy,
imagination and courage;
for the sake of your world and in the name of Jesus. Amen.
