Letter from Hannah from **The Vicarage, Arnside**

Dear friends,

Each November, as we gather to remember those who have died in war, we hear names read aloud and pause to reflect on the terrible cost of conflict. We remember the courage and sacrifice of those who served in the armed forces, and the families and communities whose lives were changed forever.

Yet remembrance is not simply about looking back. Wars are not confined to the pages of history books, nor is their suffering over when the fighting stops. Around the world, people are living through the trauma of conflict today. We pray for all those caught up in wars whether as soldiers or civilians. We remember, too, those serving in our own armed forces, and the loved ones who wait and worry for their safe return.

At the October session, *The Craft Nest* (a monthly event run by Arnside Christians Together and friends), made felt poppy brooches for the season of Remembrance. Those who attended made one for themselves, and any additional brooches made were offered for sale to raise money for **Combat Stress**.

Charities like these are an answer to our prayers. *Combat Stress* is a charity that supports veterans of the British Armed Forces who are living with the lasting psychological effects of military service, including post-traumatic stress disorder (PTSD), anxiety and depression. Through specialist treatment and support, it helps veterans work towards recovery and rebuild their lives. You can find out more at www.combatstress.org.uk.

(It is not too late to add to the total funds raised at the *Craft Nest* evening, so please do get in touch with me if you would like to contribute.) There is something deeply Christian about this work of healing. Jesus repeatedly drew near to those

who were suffering - offering compassion, dignity and hope. He did not turn away from people whose wound were invisible or whose pain persisted long after an event had passed.

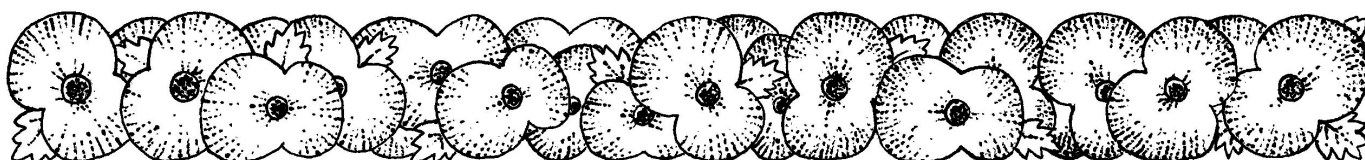

We cannot undo the horrors of war, but we can listen, remember, pray and offer practical support to those who carry its scars. As we wear our poppies and remember the fallen, may we also commit ourselves to caring for the living, and to praying and working for a world where peace might take root.

'For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.'

(Romans 8.38-39)

With love and prayer,
Hannah

FROM OUR SCHOOLS

Arnside National C of E School

Headteacher: Mr Nick Sharp

The initial settling in of September is over and the classes are all ticking along like well-oiled machines. There's a wonderful sense of calmness in October, but the forthcoming build up to festivities is never too far away. Routines are embedded and the pupils are working with purpose, enthusiasm and an infectious joy that teachers never tire of.

“Children see magic because they look for it.” (Christopher Moore)

Autumn provides a whole range of opportunities for our classes to head out and explore our beautiful local area, and we are always keen to take up offers from our friends in neighbouring organisations. Caroline, from Arnside and Silverdale National Landscape, recently provided a fantastic fungi themed day for the Year 6 pupils. The morning consisted of a fungi hunt / identification session, and everyone was surprised by the diversity of strange and usual specimens just waiting to be discovered. In the afternoon, the pupils enjoyed a range of art activities culminating in a demonstration of how to grow our own edible fungi using specially designed kits – tasty treats await. Jonny and Emmi continue to provide a brilliant fortnightly farm club and the pupils always enjoy their time with the animals (including the bees). Our Year 2 pupils enjoyed a wildflower session run by Emma from National Landscape and we're looking forward to seeing the rewards of their efforts in the coming months.

School is very proud of its partnership with St James', and the church community are always warm, supportive and extremely welcoming. Pupils enjoy a weekly worship time on Wednesdays and a few weeks ago we were joined by the community to celebrate Harvest with the theme of 'Giving and Growing'. It's always our first big event and it was heartwarming to see the church so busy and full of proud parents / carers. I may be a little biased, but the pupils were fantastic! Later this term, we are looking forward to our Infant Nativity, **Wednesday 9th December at 10.00am or 6.00pm**, and our Junior Carol Concert, **Thursday 17th December at 6.00pm**. Why not pop along and join us?

Our dedicated FOANS team are busy planning events for pupils and parents / carers, and the range of activities means there's a little something for everyone. The Pumpkin themed disco is a wonderful opportunity for the children to dance the night away while the wreath making provides a chance for the adults to socialise, get creative and hopefully produce a stunning festive item! The recent AGM was a perfect chance to reflect on the previous year's efforts and the £9,000+ raised helped school purchase vital equipment, musical instruments, coaches for trips and ultimately help parents / carers by subsidising residential to ensure incredible value for money for all pupils. There are plenty of events open to the local community and our Christmas Social is certainly one for the diary – **Friday 11th December, 5.30-7.30pm** – we'd love to see you there.

Enrichment clubs are an excellent opportunity to learn new skills, nurture talents or just enjoy a calm, quiet moment with friends, and we always try to offer a range of activities. Crochet club is as popular as ever and our code club is thriving. The pupils

love book club and the opportunity to discuss, share and celebrate literary interests. Soon to be starting is a new games club run by Hannah and Tiras, a wonderful chance to relax, talk, play and reflect – sounds perfect to me.

Finally, school was thrilled to recently celebrate National Teaching Assistant Day, and it provided a vital opportunity to celebrate the outstanding work of our often 'unsung heroes' of the classroom. They are the glue that holds us together, the oil that keeps the machine working smoothly, and the stars who sparkle quietly in the background – *thank you so much!*

Take care, Mr Sharp
