HOPE26 - Looking to Bring Hope to Difficult Situations

In the life of the Church, November is a month of remembering. Through All Saints' and All Souls' and, particularly, Remembrance Sunday, we pause to remember lives lived and loved, sacrifices made, and people who have shaped our communities and our world.

But remembering can also mean noticing those who are living with difficulty today - people whose struggles might easily go unseen. Sometimes the most meaningful way of remembering our calling to love and serve others is simply to notice, listen, and respond.

HOPE26 is a missional arm of Martham Community Church. Since January 2026 they have been serving households in the northern villages of the Borough of Great Yarmouth who are facing some form of hardship. They may offer practical support, e.g. supermarket gift cards, white goods, small electrical items, etc., alongside a compassionate listening ear, as well as prayer and the sharing of our faith. They can also signpost and support the households to access other agencies and services, that we are not set up to provide. So far, we have supported 25 households (41 adults, 20 children), living in 10 different local communities. They accept self-referrals, as well as referrals from partner agencies. They have committed well over £3,000 in funds, in providing practical support to affected households in the first 9 months of this year. They would value your help in serving these vulnerable and disadvantaged households. Please consider:

- Making a one-off donation or a regular monthly donation; the latter really helps us plan with confidence.
- Volunteering with us:
 - o Visiting those referred
 - o Administrator
 - o Social media/Communications lead
 - o Fundraiser

To get in touch regarding any of the above, please contact them on:

As we remember and give thanks those who have gone before us, may we also remember those around us today, offering compassion, practical help, and hope where it is needed. *Revd Jo.*
