Reverend Nathaniel's welcome

"Thank you". Two little words, but which can mean so much. The same words are used when we are given a cup of tea, and when we are given a gift we have hope for all year. Growing up, after every Birthday or Christmas my parents would make sure I sat down and wrote thank you cards to everyone. Saying thank you is more than just being polite. It reminds us of the good things we have; it focuses us on gratitude.

We are now entering a season of thank giving. The coming Sundays we will celebrate our Harvest Festival services. Harvest is a wonderful festival and at its heart is giving thanks. Giving thanks for the work of our farmers. Thanks for the seasons, the sun and rain that allow our food and Earth to grow. For all the gifts we receive from God.

At Harvest, we particularly give thanks for the Harvest of the year, the gifts that have made it possible and come with it. We do things by giving thanks, by praying and by giving in turn, to food banks, to those in need, to the Bishop's Harvest appeal. These acts of giving thanks, and responding to God's gifts and generosity by giving in turn, are particularly important at Harvest, but we should remember that we are called to be Thankful, to be Giving, all year around.

As we enter winter, with the dark, the cold and the rain, and as we face the difficulties and challenges of our lives and world, being Thankful can feel difficult. But being Thankful, being grateful, changes how we view the world, how we approach one another. So let us remember to give thanks. Not just at Harvest, not just in October, but all the year round, because God is generous and does give good things to us and to the world.

Bishop's Harvest Appeal 2026

The Bishop's Harvest Appeal this year is raising money to support our partner Diocese of Liwolo in South Sudan, who are facing many difficulties and challenges.

As well as donations, one of the fundraisers for this Harvest Appeal is an assault course challenge being run by Bishop Phillip and 100 clergy of the diocese.

Rev. Nathaniel has signed up for this challenge! If you would like to sponsor him, sponsorship forms are at the back of church or donations can be made via information on the Diocese of Blackburn website: <https://www.blackburn.anglican.org/bishop-s-harvest-appeal-2026>

Mosque Visit

A visit was organised by Jane Bury, a member of our congregation and a former Vicar at Fence, for a group of us to visit the newly erected mosque on Preston New Road, built through the Issa Foundation and named Masjid E Valli after the Issa brothers' father.

We all met outside the portico at the front of the main building that provides shelter for everyone whilst removing their shoes, as we did, before they enter the mosque and to place them on the provided shelf section. The porch entrance is dominated by an illuminated water feature and fountains and the whole building is of distinctive stone.

We were met inside by a very cheerful tour-guide who works at a local school, named Noreen, who explained that a mosque is called a Masjid and told us about lots of different customs. They then showed us around the mosque to the prayer rooms for men and women, the wash areas and where the Imam sits to preach.

The main room's primary feature is the magnificent central ceiling lamp which dominates the room, surrounded with gold coloured Arabic writing depicting names of prophets.

It proved to be a very interesting visit with everyone asking lots of questions before the visit came to an end.

Mission Weekend Benefice Walk

The day started in Mellor, with some refreshments to get the day started.

Most people walked, whilst others made things a little easier.

Our second part of the day was a lovely walk along footpaths from Mellor through the fields down to Balderstone St Leonard's Church. We were very lucky that the weather stayed dry and we could enjoy beautiful views of Lancashire countryside. It was a great opportunity to chat to familiar faces and make new friends. The photography competition kept everyone focused on capturing the beauty of the Benefice for Rev'd Nathaniel's photography competition. The winning entries will feature in a 2027 Benefice calendar which will be sold to raise funds for the Benefice.

On arrival at Balderstone school, the social committee and a team of helpers served a picnic style lunch with hot and cold drinks. The children (and some grown-ups) enjoyed weaving wool around willow to make God's Eye decorations. Photos showing Balderstone Forest Church were displayed and flyers with all the main service times across the Benefice were available.

It was soon time to set off on the third part of the day which took us on another enjoyable walk through fields and country lanes down to St Leonard the Less Church at Samlesbury.

The final leg was a steady stroll through to Samlesbury for a well deserved rest. Mission complete.

Balderstone Holiday Church

A fun filled and informative afternoon in August was enjoyed by all ages in the beautiful and inspiring grounds of Whalley Abbey.

After a coffee and catch up in Abbot's Kitchen café, we set off to explore the ruins using a carefully prepared spotter sheet which guided us to the most fascinating parts of the Abbey. We learned about the daily lives of the monks, how they worshipped, sang, studied, washed, cooked, grew food and so much more!

In each part of the Abbey, the children and the grown-ups enjoyed fun activities that linked to the lives of the monks such as blowing bubbles in the lavatorium, and circle games with the parachute in the Chapter House.

Rev'd Nathaniel told us that loving God and loving other people were considered to be of great importance- the monks worked hard to make sure that any visitors to the Abbey, whoever they were, felt welcome. He encouraged us to be inspired by the monks and help new people to experience the hospitality of our church.

Everyone enjoyed craft activities and their picnics in the comfort of Abbot's Kitchen. Drinks and ice-cream were available to purchase which was very much appreciated. We were very grateful to Whalley Abbey for letting us use all their facilities – a wonderful example of hospitality!

Balderstone Mothers' Union

We had a lovely meeting in September. Lynne Smith came and took a short communion service and then talked about Faith Journeys. Everyone took part and it proved very interesting and enjoyable. Julie, our Deanery literature rep, came along and we were able to purchase Christmas cards, calendars, diaries and lots more besides.

Our next meeting will include the MU wave of prayer service, always a nice afternoon, please note the date has had to be changed, it is now October 27th, 2pm at 11 Longmeadow. Everyone is welcome.

Susan Baron.

Balderston St Leonard's school

As we start a new year, I would like to officially introduce myself as the new Headteacher of Balderstone St Leonard's. It is a great privilege to lead such a wonderful school and be part of the benefice. I have been Deputy Headteacher for the last 4 years so am already part of the community, and I look forward to what the future has in store.

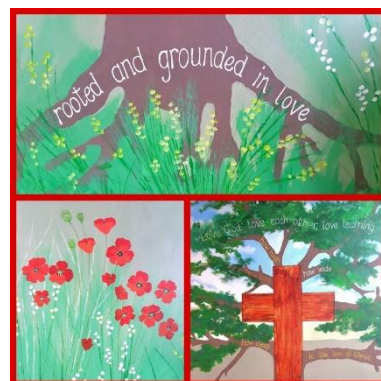

Our vision for the school is based on Ephesians 3:17-19:

"so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God."

This is certainly my experience of God's immeasurable love. We have been fortunate to have had our vision painted by a very talented artist in the entrance of our school so everyone can see what we stand for.

The animals represent the classes in our school. We are a community who flourish together.

Mellor St. Mary's

Mellor Mothers' Union

Our Mothers' Union meeting of 8th September was opened by Margaret Ashton who announced it was her great pleasure and would we all give a very warm welcome to our guest speaker Nathaniel Gilmour, vicar of St Mary's, Balderstone and Salmesbury churches and thanked him for giving up his time to join us and share his life journey to Mellor.

Nathaniel's mother and father are American and Australian respectively and he was born in America and baptised in an Episcopal church there. Whilst he was still an infant, the decision was made for the family to come to the UK where they settled down and made their home in Camden Town, London and joined the small congregation of St Saviours church until he was approximately 5 years old and then moved on to St Mary's at Primrose Hill.

At 9 years old, he had embraced his church and longed to help out when his dream came true as a member of the staff was taken ill and Nathaniel was asked to fill in and 'carry a candle'. He became a regular staff member at 12 years old and loved it and his worship. During his teenage years he remembers a question was put to him, which he described as just a passing comment, which was "as you grow up, think what God wants from you" and this he said has always stayed with him.

Nathaniel attended Durham University where he studied maths and physics and attended the close by St Oswald's church. In his last year at university he started applying for jobs in the church office but this work wasn't for him, and felt God's calling. After he graduated, he sought advice and applied for an internship and moved back to London to work at St Lawrence's.

Following eight years of practical and theoretical study, and attending theological college at Wescott House in Cambridge, he accepted a curacy in Broughton parish here in the north West.

Some time later, after being told by the bishop he was ready for his first incumbency, he was advised of a vacancy in a little village called Mellor. Nathaniel took time to find out all he could about the three parishes involved, being apprehensive as he'd never lived in a village before only big towns, and also spoke to the Church wardens confidentially. He eventually submitted an application for the position, was interviewed and was successful.

Bishop Philip set the date for his final service of curacy and also the date for his new position. He gave Nathaniel two dates to choose from. However, one was his birthday, and the Bishop confirmed this was definitely to be the date and as of the 25th May 2025 Nathaniel became the United Benefice vicar of St Mary's, St Leonard's Balderstone and Salmesbury St Leonard the Less.

Margaret Ashton thanked Nathaniel for speaking to us, which everyone enjoyed and appreciated.

MacMillan Coffee Morning

What a miserable start to the day - the weather was pretty awful! However, once inside St Mary's Church a warm, friendly & joyful atmosphere was to be found.

We were there to raise funds for the MacMillan Cancer Care appeal and the result was amazing! Helped by generous parishioners who provided a sumptuous array of homemade cakes, it proved to be a great success, as well as bringing everyone together for a very sociable event.

A huge thank you to all who helped with the organisation and to all who attended. The total raised is now over £500! What a brilliant morning's work!

Well done!!

Christine Hobkirk

The Card Ladies

During September we have supported Ron Hak with £25 as he supports the "Cycling Clinicians" as they take on a 140 mile cycle ride to raise money for Rosemere Cancer Foundation. We have also donated £25 to East Lancs Hospice in memory of Joan Venables.

Once again, we very much appreciate your support, either by giving us your cards to recycle, or buying our cards. We wouldn't be able to support these good causes without you! And don't forget to look out for our Christmas cards, which will be available in November.

The card ladies.

Little Angels

It was lovely to meet up again and to think about angels on St Michael's Day.

Jane told us a story about a special little angel with a message for us all: always look for good things and happiness in all we do.

The children played together beautifully and shared refreshments.

Next time, we hope to welcome Sarah (and Jack 🐶) on Tuesday, 3rd November at 2.00pm

Remember, all 0-5 years olds are most welcome So please invite your friends.

Mellor St Mary School

Welcome to another academic year at Mellor St Mary. We have lots of fun and exciting learning experiences taking place this month, from Reception to Year 6, starting with Class 3 and Class 4's trip to Stump Cross caverns in North Yorkshire, and Class 1 and Class 2 trip to Eureka in Halifax, both of which are exciting ways to stimulate learning, ignite curiosity and experience learning beyond the classroom door.

Children having a say in our school's life and improvement journey is very important to us all in school. School Council allows children to gain a greater understanding of democracy and respecting the rule of law. Sports Council and Faith group help to build up their understanding, tolerance and promotion of individual liberties, whilst our Eco Warriors focus on courageous advocacy, all of which are part of our fundamental British Values. So it is with great pleasure that I can announce our new pupil voice groups for 2026-27:

- School Council: Year 1 – Hazel, Daisy | Year 2 – Isabel, Tommy | Class 3 – Annabelle, Mila | Class 4 – Stan, Maya | Class 5 – Elsie, Lyla, Joey
- Eco Council: Year 1 – Pippa, Lola | Year 2 – Hana, Amal | Class 3 – Jack, Phoebe, Penelope | Class 4 – Margot, Alfie D | Class 5 – Arthur, Isaac, Faiza
- Sports Council: Year 1 – Henri, Gabe, Mikael | Year 2 – Zidan, Thomas R | Class 3 – Ava, Florence | Class 4 – Jagger, Osian, Maggie | Class 5 – William, Hassan, Aamina

Already this year, we have started to celebrate the many wonderful talents our children have, and we are particularly proud of Maggie (Y5), who has successfully qualified for the London International Horse Show for showing and dressage. This is a huge achievement as Maggie is only 9 and is now competing against young adults in this highly competitive and prestigious class. We wish her huge success for the finals in London and with our prayers and best wishes hope she goes all the way to winning it. Well done, Maggie.

Our newly elected school councillors have started their charitable work this year, by hosting a cake and coffee afternoon for Macmillan Cancer on Friday 25th September. A huge thank you to those who donated cakes or came to the event, which not only raised awareness for this great cause, but also much needed funds.

Following the success of the two years, School Council are beginning to plan out our P.A.L.S events for this year. If you live alone, are feeling lonely or would just like some fun company, then why not pop along to school and meet our school councillors who would love to spend some time with you. This year we are holding termly PALs events in school, so please make a note of these dates for your diaries.

- Friday 13th November 2026, 1:30pm – 2:30pm
- Friday 12th March 2027, 1:30pm-2:30pm
- Friday 19th June 2027, 1:30pm-2:30pm.

St Leonard the Less, Samlesbury

St Leonard's School

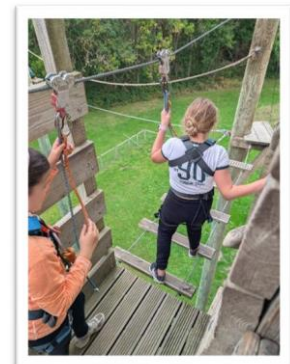

A New School Year at Samlesbury CE Primary School

What a fantastic start we've had to the new school year, and a very warm welcome to our ten brand-new Reception children and their families!

Before sharing a little about this term, I'd like to go back to July and the very end of the last school year to say a huge congratulations to our new House Captains: Esther, Henry Jax & Tilly and , and a big thank you to our outgoing Captains. Our pupils leave Samlesbury as mature, independent young people with a strong sense of responsibility, and our House Captains play such an important role in modelling and encouraging these qualities across school.

We've certainly started this year with an active focus! Our Year 5 and 6 children began the year with a week-long residential at Boreatton Park in Shropshire, where they took part in a fantastic range of activities, including archery, canoeing, aerial ropes, laser tag and climbing. They all had an amazing time and returned to school full of stories of challenges overcome, achievements and lots of fun!

Having our residential at the very start of the year really helps to set the scene for the months ahead. The confidence, resilience and sense of teamwork developed during the week can already be seen in the way the children have thrown themselves into the new school year.

Our youngest children have also been busy being active and exploring in our fantastic Forest School grounds. This year, we have added Anji Play to our outdoor provision, providing enriched sensory experiences and even more opportunities for talk, creativity and imaginative play. Anji Play gives children the freedom and space to explore, create and express their ideas through open-ended play. Using a range of everyday and natural materials, the children have been busy building, designing, experimenting and working together.

It has been wonderful to see their imaginations come to life as they make their own choices and follow their interests.

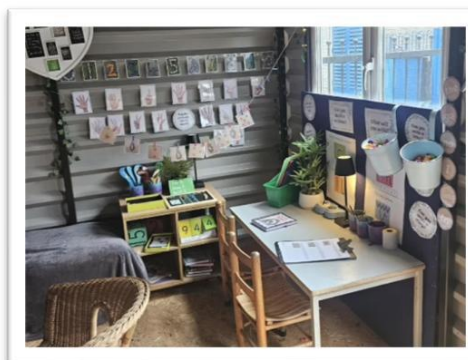

Through this play, the children are developing important skills such as communication, collaboration, problem-solving, creativity and independence – all while having lots of fun!

It has been a wonderful start to the year, and we are looking forward to all that the coming months will bring.

We are having an Open Day on Wednesday 7th October, so if you are interested in finding out more about our wonderful school, we'd love to welcome you!

The Christmas Choir

All are invited to join this pop up choir which will do two performances:

- Mellor Methodist Church on Sunday 6th December at 1.30pm
- Lammack Methodist Church Sunday 13th December at 2pm

Weekly rehearsals will begin at:

- Lammack Methodist Church on Thursday 1st October 1-2pm
- Mellor Methodist Church on Monday 5th October 7-8pm

The programme will consist of musical items such as lesser sung carols etc. The main aim of the choir is fellowship, so if you feel you can't sing but like the idea, please come, see what we're about and hum along. There's no pressure if you decide it's not for you.

If anybody can play an instrument, even if it hasn't been picked up for years and a high standard was never reached, you would be so welcome to bring it, and we can spend some time getting you sorted to accompany some of the items.

Samlesbury Area Civic Society

The Civic Society would like to confirm that the society will again be selling our home-grown tomatoes from the little table next to the Memorial Hall. This year we have extended our range of tomatoes and also confirm that they will be sold at the same price as last year, (only £1.50 per plant.)

As last year all the sales of these plants will go to help us run the community garden and make the hanging baskets around the Hall. It is only with your help that we can continue to do this.

Should anyone want to come and help us, please contact John Evans 07962 121 678 or John Greaves 07910 235 256, when you would be made very welcome.
