Mission Focus – Church Mission Society (CMS)

Here at St.John's we currently support C.M.S through our partnership with Eric and Sandra Read, who work in the Philippines. There they promote natural farming methods, in a country where there is an urgent need for farming to become more climate resilient and sustainable, and for people to embrace creation care.

At the same time they are working to equip local churches in holistic mission for real community impact.

This year we hope to give £2,000 towards their work.

Prayer for the community

Living God,
Draw us deeper into your love;
Jesus our Lord,
Send us to care and serve;
Holy Spirit,
Make us heralds of good news.
Stir us, strengthen us, teach and inspire us to live your love
with generosity and joy,
imagination and courage;
for the sake of your world and in the name of Jesus. Amen.
