Tree of Hope - a community event on 29th November at 5pm at the hall.

Let's spread the love in Donnington this Christmas

A Community Event for everyone

This year our Christmas Gift Appeal will again be in support of the Rotary Club of Chichester Harbour who distribute gifts to people who would otherwise have nothing on Christmas morning.

During November we are asking the whole Donnington community to take one of the tags from our fence at the Hall. Posters on the fence give suggestions on the age group you might like to consider buying for for.

Then at 5pm on Sunday 29th November we are asking you to bring these unwrapped gifts to a special community event at the Hall which will include singing, mulled wine, readings and the lighting of both our Tree of Hope and the Donnington Star. Plus there will be a special appearance by Santa who will collect everyone's presents to go in the Christmas
sacks.

Other services in December include

- a Christingle Service on Sunday 6th December at 10am in the Hall where our young people will be making the traditional Christingle candles. we will be making a special collection for the Children's Society

- a Carol service by candlelight on Sunday 13th December at 5pm in our beautiful church which will be decked in its seasonal finery with mulled wine and mince pies to follow.

- services at church on Christmas Eve and Christmas Day itself - fill details on our website and facebook page (St George's Donnington)
