NEW APPOINTMENT

Bishop Karen on behalf of the Patrons of the benefice, is delighted to announce that the Revd Jo Davies has been appointed Rector of the Long Barrow Benefice.

Jo has been full time chaplain at Bryanston School and feels a calling back to parochial ministry. She brings the gifts outlined in the parish profile including ministry amongst schools and young people, outreach and has a heart for the small but growing local communities which make up the benefice.

Jo and her family plan to move into the new Rectory in Pimperne towards the end of the year and her licensing will take place on 14th January.

Bishop Karen, and Canon Lucy Holt, Assistant Archdeacon, would like to thank everyone involved in the appointment process, the ministry team and those who have supported the benefice during the long vacancy.

All good wishes

+Karen
