St Mary's needs a new Treasurer

Could it be you, or someone you know?

After a distinguished term of office, Mike Sargent is retiring as Church Treasurer at the end of this calendar year and we are actively seeking his replacement.

This is a vital role which we obviously cannot do without.

It involves keeping track of our income, paying our staff and the companies we employ.

Mike has set up very smooth-running systems and recently a number of peripheral jobs have been taken on by others. Mike explains that realistically the job takes 2 to 2 and a half hours per week.

If it might be you, or you have any ideas, please speak to Mike or one of the Churchwardens, Helen or Tom.

Help us keep St Mary's running.
