New beginnings

Dear Friends

Welcome to our new-look 'Parish Life' magazine. We are very grateful to Tracey Shannon for taking on the role of editor for the Cross Country Parishes and we hope that you enjoy reading her first issue. I know we'll do our best to support Tracey as she begins this new chapter in her life and in the life of the Cross Country Parishes.

Perhaps strangely, it's highly appropriate to have a new start in November. After all, November 29th is the beginning of the new year in the Church's calendar. We celebrate Advent Sunday and begin to prepare ourselves for one of the major festivals of the Christian year.

The start of Advent gives us that gentle nudge to slow down, breathe, and remember what, and who we are really waiting for. While the secular world is already buzzing with Christmas lights, carols and shopping lists, the Church invites us to take a different pace — one that makes space for hope, prayer, and a little quiet wonder.

Advent isn't just a four-week countdown to Christmas. It's a journey. It begins with the Old Testament prophets and ends on the night that Jesus is born. It welcomes Him into our lives right now, and looks ahead to the day when He'll come again. In the middle of all this, we're called to live as people who carry light, even when things around us sometimes feel a bit dark.

It's a time to take stock and to watch — not in fear, but with excitement for what God is doing; to prepare — not just our homes, but our hearts, with prayer, kindness, and forgiveness; to hope — trusting that God's promises are real, even when life feels uncertain.

So, as we begin this time of Advent, let's be fully prepared to make this journey and to see God's light in unexpected places and to relish **this new beginning – this new year.**

Ann

Hello!

Welcome to the very first issue of Parish Life!

I'm delighted to be taking over the production of our newly refreshed Parish magazine.

Whilst the name and look may be changing, the heart of the magazine remains the same — keeping our churches and communities connected and sharing the news, people and events that matter to our villages.

I'll also be introducing a few new features and ideas along the way, so watch this space!

I'm really looking forward to getting started and to hearing from our readers. If you have a story, event or idea you'd like to share, I'd love to hear from you.

Tracey

Are you good with numbers and looking for a meaningful way to support your local community?

We have been blessed for many years to have Gail Ward as our Treasurer, but the time has now come for Gail to hand over the role to someone new.

Could you be the person to take on this important role and help support the church for the future?

Christmas Shoebox Appeal

Thank you to Bethany Daley who kindly provided St David's with information and resources along with spare shoeboxes for the 2026 Christmas Appeal.

Bethany is arranging to set them off on the first leg of their long journey to Eastern Europe by 1st November.

If any are left in church during the following week we'll make sure they still get to their destination in time for Christmas.

Harvest Festival

We celebrated our Harvest Festival with an abundance of flowers, fruit and vegetables in spite of the hot, dry summer.

The church looked amazing!

Immediately following the service we enjoyed a supper of roast beef, roast ham, delicious salads and a wonderful selection of desserts and cheese. Mary Drinkall kindly donated a Harvest Box of assorted goodies (inspired by the cover photo of the October magazine!) and this was raffled off after the supper.

The raffle alone raised the wonderful sum of £107.

Thank you to everyone who contributed in so many different ways to make this such a wonderful evening and a real harvest celebration.

Darnhall & Wettenhall WI

Hot Pot Supper October 2026

The Darnhall and Wettenhall WI and St David's Church have much in common.

They broadly share an area of dairy farms, with the attendant population, and somehow celebrate every occasion with generous amounts of food and baked goods.

The October meeting of the WI is traditionally a hot pot supper, made by Food Craft in Winsford, and accompanied by gravy and pickles. The pastry on the hot pot is a crisp addition to all the potato and beef. It's a meeting full of conversation, friendship and laughter.

We sit in groups of 6-8 around the tables, decorated with vases of autumnal flowers and foliage. The food is served by the committee members and seconds are available for those who can't resist them. After the main meal there is a desert...

...apple pie and cream, or ice-cream... or both!

What could be better on a very wet, windy evening?

The business side of the WI was completed in record time and then a raffle, with several lovely prizes, was held. The committee were thanked for their hosting of another delicious hot pot supper and everyone agreed that it had been a lovely evening.

Between meetings there are lots of other activities for members, pub lunches, organised walks, theatre visits, Cheshire wide WI events, garden visits and more.

Celebrating 50 Years of 1st Darnhall Brownies

On Wednesday 7th October 2026, we celebrated an incredible 50 years of 1st Darnhall Brownies.

Over the past five decades, so many girls have walked through the doors of Darnhall Village Hall, making friends, learning new skills, trying new things, having fun and creating memories that last a lifetime.

It was wonderful to welcome past and present Brownies, leaders, families and friends to share memories, stories and photographs and to celebrate this very special milestone together. It was lovely to hear so many stories from over the years and see just how much 1st Darnhall Brownies has meant to so many people.

A very special mention must go to Ann Hignett, who has dedicated an incredible 50 years of unbroken service to 1st Darnhall Brownies and to the wider Darnhall community.

Alongside Ann, we are incredibly lucky to have a fantastic team of leaders who continue to give their time, energy and dedication to the girls: Val Mullowney, Ruth Howard, Abi Daniels, Megan Curbishley, Rachel Ward and Sharon Cheers, as well as the many other leaders who have supported the unit throughout its 50-year history.

50 years of friendship, fun, learning and memories...

...a wonderful legacy that continues today.

Eco Church
A Rocha
Silver Award

At St David's we celebrated two things – gaining the Silver Award from A Rocha Foundation and the teachings of St Francis – the son of wealthy merchants who gave it all up to become a monk, living simply and serving others.

He is best known through his prayer "Make me a channel of your peace". He had a spiritual awakening when praying at the derelict church of San Damiano, near Assisi, when he heard a voice calling him to "Rebuild my church".

Little did he know that this meant rebuilding the whole church, spiritually, changing its values. Francis taught that we should live with purpose, live to serve others, to live lightly to the earth and its resources and live with gratitude for all we are given in our lives.

Instead of the sermon, we finished work on our bug hotel, filling the compartments with hidey holes for winter for solitary bees and the many insects that have come to our pond.

Those who like to create beautiful things made origami birds, a direct reference to St Francis who prayed and worked in the outdoors so often, birds would come to him.

Gold Award – or a different path?

Our next Green Café Worship is in February, when we shall think about going forward in our Eco Church – is it to the Gold Award, or something different?

Inspired by our work over the last five years, I'm sure it will be fun and challenging!

Guided walks

Next walks from the church:

1st November | 1.00pm

6th December | 1.45pm

(shorter Christmas themed walk)

10th January | 1.00pm

Nick organises circular walks varying between 3 to 5 miles, then returning to the church for a refreshing cup of tea or coffee and a slice of delicious cake.

The pace of the walks is relaxed, and the routes generally involve canal towpath and lane walking. The footpaths should be good (also hopefully dry) and only a small number of stiles are negotiated. Stout outdoor shoes or walking shoes/boots are recommended.

All are welcome, including dogs on leads.

Dorfold Autumn Gala Lunch

The sun shone on our guests who supported the fundraising Gala Lunch at L'Ecurie, the new venue at Dorfold Hall, on Thursday 24th of September.

Everyone enjoyed a welcome drink sponsored by W R Partners, accountants, followed by a delicious lunch with wine. Super raffle prizes and generous Auction of Promises helped raise **£3,400** for Acton Church funds.

Messy Church

We were showered with good things at Messy Harvest in September! We thought about all the good things God provides and how we shouldn't keep them all for ourselves.

In our story we heard how so much of what we eat and use comes from all over the world and our map was soon filled with donations for Nantwich Food bank.

We bashed a piñata full of sweets, "grew" carrots out of cake and made placemats to thank God for our food. Others were challenged by Jesus' words "not to worry" and explored Genesis reminding ourselves that we are the caretakers of God's planet.

Everyone welcome to join us

Acton & Reaseheath WI

We met again in September after our summer break, when we held our biennial Acton Show. There were plenty of classes to enter, and members brought along a wonderful variety of entries, including things they had grown, baked, crafted, photographed or written.

There was a produce & horticulture section which included such things as a jar of herbs, a jar of jam or chutney, a basket of vegetables, a vase of flowers or a single bloom, tomatoes, apples, scones, fruit bread and Victoria sponge.

The handycraft section included sewn or embroidered items, knitted items and something new from something old. The Art and Photography section was a photo taken in a garden or of an event and the Just for Fun section was a limerick or a short piece of writing. There was also a section for anything that didn't fit into the other classes!

Linda Jones, a former county show judge, came to judge every section and spent a long time looking, tasting and reading. For the edible items her marks were based on both look and taste. She looked at how well the knitting or sewing was done and for the produce how it looked as well as how it was presented. She then had to choose a 1st, 2nd and 3rd in each class.

The scores were added up and cups were presented to the overall winners in each class as follows:

Produce:
Joyce Percival

Art & Photography:
Maggie Harper

Horticulture:
Joyce Percival

Just for Fun:
Maggie Harper

Handycraft:
Janet Malbon

Best in Show:
Fiona Ross

Nantwich Choral Society's Singing Day

St Mary's hosted the annual Nantwich Choral Society's Singing Day last month. Members and others made or renewed their acquaintance with pieces from the Oxford book of English Church Music.

NCS is very fortunate in having John Naylor as their Musical Director, a choral scholar and highly experienced conductor of choirs in most of the country's cathedrals. We can also attest to his friendly encouragement of singers of all ages and abilities! He was awarded the BEM for Services to Music in the 2026 New Year's honours list. Simon Russell, currently organist at St Mary's Nantwich and deputy at Chester Cathedral, accompanied us making a grand sound on our church organ.

St Mary's Churchyard – A New Home for Wildlife

St Mary's churchyard has been recognised by the Cheshire Wildlife Trust and has received a citation from Cheshire East Council as a Local Wildlife Site. The Wildlife Trust will monitor the churchyard over the coming years to see how its wildlife develops and changes.

The PCC is keen to build on this and further develop the churchyard as a haven for wildlife. Plans include:

- Installing six bird boxes — three for Blue Tits and three for Great Tits.
- Installing an owl box and a bat box.
- Maintaining the Forest Church "Bug House".
- Maintaining the existing wild area to the west of the West Door.
- Keeping the area west of the new graveyard as a wild area.
- Mowing the grass on the north side of the new graveyard to around 5cm to encourage wild flowers.
- Creating a booklet or folder for the church, recording the birds, mammals, insects and flowers that have been spotted in the churchyard.

Come and join us!

Wednesday 25th November | 2.00pm
St Mary's Church

Laura Saker-George from the Cheshire Wildlife Trust will be joining us to talk about the importance of wildlife sites and how we can make the most of St Mary's churchyard.

Her talk will include:

- Wildlife sites in general
- Churchyard wildlife sites across Cheshire
- What makes St Mary's churchyard special
- Ideas for enhancing the churchyard for wildlife
- A chance to ask questions

Everyone welcome

Have you spotted any wildlife in the churchyard?

If so, please let Charles Hull know, as he is compiling the records.

Acton Ensemble

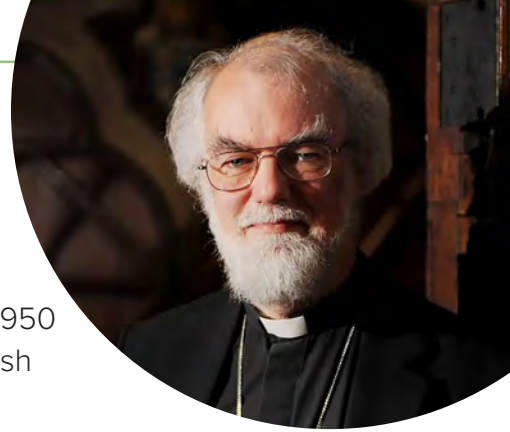

The roots of folk music continue to inspire musicians today, and the Acton Ensemble enjoys exploring this rich tradition together.

We meet most Monday afternoons at Acton Church to play French, Celtic and English music, from lively tunes to thoughtful melodies. We enjoy learning new pieces, developing our playing skills and sharing our music at Tea at the Tower three or four times a year.

Do you play an instrument?

Archbishops of Canterbury: Rowan Williams

Rowan Williams was born on 14th June 1950 to Delphine and Aneurin Williams, a Welsh speaking family in Ystradgynlais, Powys.

He was educated at Dynevar Secondary Grammar School, going on to read theology at Christ's College Cambridge. He then transferred to Wadham College, Oxford, where he was awarded a Doctor of Philosophy in 1975.

He immediately trained for ordination at the College of The Resurrection in Mirfield, returning to Cambridge to teach theology at Westcott House. There he became a deacon and was ordained by the Bishop at Ely Cathedral in July 1978. His curacy took place at St. George's, Chesterton, Cambridge between 1980 – 83. In 1981 he had married Jane Paul, a lecturer and writer in theology, going on to have two children. Despite all of this he also studied languages, speaking and reading 12 languages, including Welsh, French, Spanish, Russian and Ancient and modern Greek.

Williams became Dean and Chaplain of Clare College, Cambridge, moving to Oxford in 1986 as the Lady Margaret Professor of Divinity, which included being the Canon of Christ Church Cathedral. He returned to Wales to become the Bishop of Monmouth in the Church of Wales in 1992, remaining in this post even when he was made Archbishop of Wales in 1999.

In September 2001 he was speaking in New York, in the vicinity of the World Trade Towers, when they were attacked. This terrible event resulted in him writing a book entitled 'Writing in the Dust'.

In February 2003 he was enthroned in Canterbury Cathedral as the Archbishop of Canterbury, the first modern Archbishop to come from outside the Church of England. He held very different views from his predecessor, George Carey.

Williams advocated for women to become bishops, and for there to be a place for gay priests in the Church of England. He warned that without these changes the Church could be split permanently. However, these differing views remained unresolved at that time.

There were many highlights to his years as the Archbishop. His book of Poems was longlisted for the Wales Book of the Year in 2004, but it was in 2005 that he came to the attention of a wider public. Prince Charles married Camilla Parker-Bowles in a civil ceremony, followed by a blessing by Williams. He said that the couple had expressed great penitence for their past mistakes.

In 2011 there was the marriage of Prince William and Catherine Middleton, an occasion of Worldwide interest.

That same year Williams celebrated the 400th anniversary of the King James Bible at Westminster Abbey alongside the Queen, Prince Philip and Prince Charles, Patron of the King James Bible Trust.

He resigned from his post in 2012 to return to the academic life as the Master of Magdalene College and his writing. He was made Baron Williams of Oystermouth in 2013 and remains a crossbencher in the House of Lords.

Calveley School Harvest Festival...

At the end of this very hot and dry summer Calveley School celebrated the harvest at St David's Church.

We are so fortunate to be able to celebrate the growth and ripening of lovely food together, and to see the church full of colourful flowers, fruits and vegetables.

Harvest torch

A centrepiece to all these fruits was a very special Harvest Torch, a hand forged torch, based on the Olympic torch and decorated with metal mushrooms, grasses and fungi. Westminster Abbey had not held a harvest festival service for 50 years, so in 2013 they commissioned this torch for a harvest festival. It now travels around the country as part of the National Harvest Service, which is to be held in Nantwich St Mary's this year. We were so lucky to have it for our school service.

Food bank

Children, parents and teachers of Calveley school enjoyed singing, reading autumn poems, and colouring pictures of fruits and leaves. Some of the images were cut out and a message written on the back and tied with ribbons to decorate a twiggy branch at the altar. The children brought a fantastic selection of tinned and dried foods, hygiene products and snacks as gifts for the food bank, a wonderful display, so generously donated.

Thanks to everyone who came and made the day so special!

Let's turn Nantwich Orange!

On Saturday 28th November, Inner Wheel Nantwich will be joining Dabbers Dash to raise awareness of Orange the World, a global UN campaign calling for an end to violence against women and girls.

Orange represents a bright, optimistic future — one free from violence — and we're hoping to turn Nantwich orange as we come together to support this important campaign.

Dabbers Dash is a community-led run, walk and wheel, bringing local groups and organisations together. We'll be proudly wearing orange as we take on the 5km route around Barony Park. The route takes participants around the park three and a half times, but there's no pressure to complete the full distance — you can simply do as much as you feel comfortable with.

Wear orange and help us turn Nantwich orange!

We'll be joined by Sandbach, Tarporley and Crewe Inner Wheel, Nantwich Rotary Club and other local organisations, all coming together in support of Orange the World.

After the event, we'll be visiting local cafés to share information about the campaign, including useful websites and sources of support.

To make the message even more visible, Nantwich Civic Centre, Nantwich Market and the Cocoa Yard will be illuminated in orange, helping Nantwich shine a light on this important issue. Other local buildings are also hoping to take part, with further details to be confirmed.

Come and join us!
