

A special opportunity for you to take a moment to remember those you have loved who are no longer with you this Christmas

On

Sunday 13th December 2020 4pm — 6pm

Due to Covid 19, this years star service will be a walk through event where you will be able to place your stars on the church Christmas tree and a candle will be lit on the altar. You will be able to remain in the church for private prayer, peace and contemplation or just to spend a few moments with your own thoughts.

Donations made for stars will go towards the maintenance and upkeep of the church.

Hand sanitizer will be provided and social distancing measures will be in place.

Stars will be available from Frost Funeral Service on 01322 382879 or from the church on the day.

(Please bring your own pen if you wish to write a message on a star).
