

# YOUR CHURCH WEDDING

Congratulations on your engagement!  
Thank you for considering one of our churches for your marriage celebration.

Marrying in church is personal, meaningful, spiritual and beautiful, just as you want it to be.

'Thank you for helping make our wedding an amazing day'

'We had the best wedding day we both dreamed of'

Getting married is one of the biggest decisions you'll make in life. There are some things about marrying in church that make that big moment extra special:

- A church wedding will add a spiritual dimension to your marriage. God's blessing is the main attraction for many couples, whatever their beliefs.
- You can make amazing vows, or promises, in a church. These vows, made in public, will help you to stay together and grow together.

## Special Day, Special Places

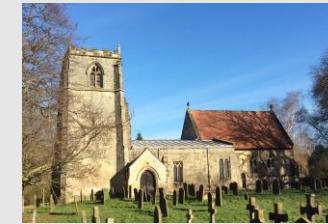

Our historic church buildings are outstandingly beautiful in amazing settings. All of them are listed, but more importantly, they hold special memories for generations of families, as people have prayed and worshipped God here for many years.

### Your wedding: Your choice of venue:

you can choose any of our three churches in which to get married:

St John the Baptist  
Stamford Bridge

All Saints Catton

St Peter and St Paul's  
Scrayingham

All provide intimate historical settings in which to make your wedding vows.

## Some information to help you

We want to make the day special and as personal. Although your planned wedding date may seem a long way ahead, it'll come round very quickly. So it's good to get it touch with us as soon as you can, once you've decided a date.

We can then start to get to know you and help you plan your wedding ceremony in a relaxed and informal way. We want to blend your story into the service to make it personal, memorable and special for you.

Wherever you marry, there are certain preliminary administrative and legal matters that need to be dealt with so it's good to get these done well in advance to put your minds at rest, and to ensure that your date is firmly booked in the church calendar.
