

# Stamford Bridge Group of Churches

Places of Christian love and support for all

## Praying for your church and the Local Community

### Let's Grow prayer:

Almighty God, you delight in growth,  
Fill us with your Holy Spirit,  
So that our church may grow  
spiritually and in numbers.  
Give us confidence to reach out to others  
So that the communities in which we live and work  
may know the power of your transforming love.  
We pray this in the name of Jesus Christ our Lord. Amen.

### As you begin to pray:

Take time to relax.  
Put worries and distractions to one side  
Ask God to bring to mind anything specific he wants you to pray for today.

### The Ripple effect:

*Start where you are and work outwards:*

- the people who live in and come into your home
- The Christians in your church to be salt and light in the community,
- your neighbours and immediate surroundings.
- your church and the Christian community in the area
- The church's links with the local community
- Places where people work
- The local Parish Council

### A different focus for each day:

- People who travel out to work
- Those in caring roles in our community  
(e.g. teachers, health professionals, carers and clergy)
- Local businesses and the people who work there
- All who work in positions of influence
- Elderly people
- Young people
- Young families
- Singles who feel isolated.
- Those who are particularly in need of knowing God's love because of their circumstances
- Those visiting our area

**A prayer for our local community.**

Today we remember the people who live on ----- road/street.

We ask you to bless them in their work and play.

We pray for those who are going through difficulties at present, especially we pray *for ..names and situations if known .....*

We thank you that you forgive our own failings. We pray for compassion and patience with those we meet.

We pray that we might be channels of peace and blessing in our community.
