

INDEX TO LIST OF GRAVES IN BROADWOODKELLY CHURCH AND CHURCHYARD

The graves are indexed by name, surname, given date of death and the number of the grave or monument on the rough sketch-map at the end. An asterisk* denotes a memorial that is not a grave. "Anon" indicates graves where no name is given. The marking [indec] indicates that the relevant information is indecipherable; the marking "none" that no indication is given.

The information is believed correct as of March 2018.
