

THANK YOU!

*From Lana, Graham and Martin on behalf of
St Anne's Church, Catterick Village*

In March, St Anne's Church held two public meetings to raise awareness of the considerable financial challenges facing St Anne's Church.

We are enormously encouraged by the strength of support we've received from the local community and want to take this opportunity to thank everyone who came to the meetings, contributed their ideas and have since taken the time to fill in a standing order form, make a donation or start attending worship regularly. We feel privileged to be part of a parish that values their local church community enough to support it financially.

The purpose of the meeting was to address the immediate problem of a £10,000 shortfall in annual income and work towards a sustainable financial future by asking if **200 people would be willing to donate £1 a week regularly** to the church by standing order (approx £5 a month). By the end of April over 45 standing orders and donations have already been returned. Members of the public who attended the meeting suggested dropping a form through each door to give more people an opportunity to respond – so here it is, and **if you would like to make a regular contribution to the running costs of sustaining the church's presence in this parish, please fill in this form and return it to the treasurer, at the address on the back of the form.**

Keeping in touch** A number of people have also asked us to stay in touch regarding the appeal, with news about parish events and activities, and perhaps a visit! We are delighted to do this but new data regulations mean we cannot use your data, including contact details, for any other purpose than the one supplied, unless you give us explicit consent. **If you would like St Anne's to stay in touch with you, please fill in the data consent form and return it either to the Treasurer with the standing order form, or drop it off in an envelope in the box marked 'Data Consent form' at St Anne's Church or to The Vicarage High Green DL10 7LN.
