

HOTS Aldridge Team Member Registration Form

Requirements for team members.

Healing On The Streets is a public model of ministry which will put our team members in contact with children, young people and vulnerable adults. Becoming a Team Member does not require a DBS check, but in order to protect our team members and the public, we have decided to implement some basic requirements for our team members to join (see Declarations below). We will not allow anyone to minister within our HOTS Team in Aldridge unless they meet these requirements. This will help to safeguard the team and the public.
