Parish Safeguarding Policy statement for the parish of St Matthew's, Rowde

(The following policy was agreed at the PCC meeting held on 30th April 2019)

As members of this PCC we commit our Church to supporting our families in the nurture and protection of our children, young people and vulnerable adults.

We recognise that our work with children, young people and vulnerable adults is the responsibility of the whole church community.

We adopt and are committed to national and diocesan safeguarding guidelines.

We undertake to select all our workers with care, to support them and to provide training for them.

We undertake to receive any complaints seriously and respond to them promptly.

We will review this policy annually at the first full PCC meeting following the APCM.
