

Art Sozo provides a way to connect your emotions with the heart of God and allow His healing to take place. In creative mode breakthrough can take place on an emotional level, uninhibited by logic and reasoning.

No art experience is needed as the paint is used simply to express the emotion of the encounter you have with God. The small group setting gives opportunity to share what Holy Spirit reveals and at the end of the workshop you take home 3 canvases carrying the healing and truth of God.

Next workshop is Thursday 24th October 1.30pm finishing at 5.00pm, at the Hay Loft, Old Hall, Healaugh

To book email ellajudson@btinternet.com or phone 07775212299

Suggested donation on the day is £40 which includes all materials needed.
