

Roll of Honour

The roll of honour on the War Memorial in the church is detailed below. Our former archivist, Fred Vening, has researched these casualties and compiled a short history of each. He has also extracted details of Avening residents from the 1841-1911 censuses. Transcriptions of the baptism, marriage and burial registers back to 1557 are now complete.

Names recorded on the Roll of Honour inside the church:

First World War

(Names are listed chronologically by the date of their death)
