

# A simple cycle of prayer

## Sunday

- The people of Clapham
- The Christian congregations in our area
- The leaders of the nations

## Monday

- The people of Newby
- Our local schools and their community
- The unemployed and those whose work is poorly paid, unfulfilling, stressful or fraught with danger

## Tuesday

- The people of Keasden
- The land around us, our flocks and herds, and farmers
- Victims of abuse and violence, intolerance and prejudice

## Wednesday

- The people of Austwick
- Our local businesses of all kinds
- The work of aid agencies throughout the world

## Thursday

- The people of Eldroth
- Our local community organisations
- Victims and perpetrators of crime and all who work in the criminal justice system

## Friday

- The people of Lawkland
- Our council staff, health and emergency workers
- All whose lives are devastated by war and civil strife and those who work for reconciliation

## Saturday

- The people of Wharfe and Feizor
- Our homes, families, friends and all whom we love
- Those whose time is spent caring for others

This prayer cycle may be adapted and used in conjunction with others, eg [The Diocese of Leeds Prayer Diary](#), which includes the Anglican Communion Cycle of Prayer.
