If you are marrying by qualifying connection please describe it here:

ONCE YOU HAVE COMPLETED THIS FORM

1. We will check the date, time and church and confirm that they are available. We will then write to confirm these details. **Please note that until you have received this confirmation there is no firm booking** – some of our churches are busy and used for a wide range of services and events. If we cannot meet your requested date, time or church we will do our best to find a convenient alternative.
2. At the beginning of the year in which you are getting married you will be invited to meet with other couples and then attend a Preparation Day. These events will enable us to provide you with all the information necessary to ensure that you are prepared and that everything is in place for both the legal and spiritual aspects of the wedding. Normally the first event is held on a Friday evening at the end of January, and the Preparation Day on the first Saturday in February.
3. At the Preparation Day you normally will meet the Minister taking your wedding service and can arrange to meet them individually to plan your service.
4. You will meet with the Minister taking your wedding to plan the service. If you have not been able to attend the Preparation Day the Minister will help you explore what marriage means to you in this session.
5. Normally 'banns' will be called on three Sundays in the month before you get married. You are encouraged to join us on these occasions if possible, when we will pray for you and the other couples preparing to get married. If you live outside the Parish of Louth, banns will also need calling in the parish(es) in which you live.
6. We will arrange a suitable time for the wedding rehearsal – wherever possible this will take place on the afternoon or evening before the wedding.
