

“Every person has a value and dignity which comes directly from their creation in God’s own image and likeness. Christians have a duty to value, understand and respect the rights of children and adults as people of faith in the life of the church, and to protect them from harm.”

Diocese of Bristol 2018

The Braydon Brook Benefice accepts and endorses the principles set out in the Diocese of Bristol Safeguarding Policy and seeks to follow its guidance and procedures. These can be found at <https://www.bristol.anglican.org/safeguarding-resources>

The Parishes of the Braydon Brook Benefice are committed to encouraging an environment where all people, and especially those who may be vulnerable, are able to worship and pursue their faith journey in safety. As a Christian community it is the responsibility of every one of us to protect those who are less able to protect themselves.
