Our new Diocesan Bishop is announced!

The Rt Revd Michael Beasley will be the next Bishop of Bath and Wells. He is currently the Bishop of Hertford, a role which he has held since 2015. Prior to taking a fulltime role with the church, Bishop Michael was an epidemiologist, a background he was called on to use during the pandemic as a member of the Church of England's Covid task force. Bishop Michael writes ...

"I am delighted to be coming to be the Bishop of Bath and Wells and to joining with everyone in the diocese as together we live and tell the story of Jesus.

"We have strong family connections with Somerset and I'm very much looking forward to working alongside its people, communities and churches.

"We have all been through a challenging few years. The COVID pandemic pushed us all apart. Now is the time to come back together. Our churches have an essential role in helping us rebuild communities and in facing the challenges present to us both internationally and at home.

"Jesus' message is one of peace – a peace I'm looking forward to sharing and pursuing as I join you as your bishop."
