JUNE 2022 No. 534

From Your Parish Priest:

The days of sailors being tricked by the press gang into taking the “Queen’s shilling” and thus pressed into naval service, are thankfully long gone, but there are still many areas of public life where people serve under, and with, the sovereign’s authority. In our constitutional monarchy, those who protect our country, and those who make our laws and enforce them, all do so in the Queen’s name, having formally declared their allegiance to her. These principles are enshrined in the processes of state, regardless of the human being sitting on the throne and wearing the crown. However, our hope and prayers are that our sovereign’s reign will be characterised by faith in God and a life of service, setting an example to all in our nations.

In the traditional prayer for the sovereign, from the Book of Common Prayer dating back to the first Elizabethan era, we pray that the Queen:

*“knowing whose minister she is, may above all things seek thy honour and glory, and that we and all her subjects, (duly considering whose authority she hath), may faithfully serve, honour, and obey her”*

When she addressed the nation on her 21<sup>st</sup> birthday, the then Princess Elizabeth reflected this sense of partnership between monarchy and people, pledging her life to the service of God and country, but also asking our support and prayers for her in that endeavour. That commitment was of course re-stated and renewed at her coronation, and has been the principle by which she has lived and served in the ensuing 70 years of her reign.

As we prepare to celebrate the Queen’s Platinum Jubilee, this extraordinary and unique milestone in our nation’s history, we give thanks for her commitment and example. In doing so, we should perhaps also reflect on the extent to which we have lived up to our side of the partnership, and to the Christian values that she has demonstrated and exemplified. Included in the coronation service, was the prayer of thanksgiving:

*Lord of our lives and Father of all,  
let our thanksgiving prove itself in service  
to you and to our Queen, our country and one another,  
for your Name’s sake. Amen.*

Amidst the street parties and other festivities, that prayer remains as relevant now as it was then, and should, I suggest, be part of our on-going commitment as we celebrate the Jubilee.

With every blessing  
David

**Benefice of St Benedict** – Whilst the various legally-enforced COVID restrictions have all now lapsed, church and public health authorities continue to recommend a range of COVID precautions, particularly for larger indoor social gatherings or when local infections rates remain high, as is currently the case in North Norfolk. Accordingly, we encourage our congregations to maintain hand cleansing when entering/leaving church and to respect and care for those who feel they need to maintain social distancing. Holy Communion in one kind (ie just bread) will be available to all, but we would hope to re-instate the distribution of the wine at Communion in the near future, when infections rates have reduced sufficiently.

## Horning Flower Club

Standing in at a few days' notice, Jenni Baker drew inspiration from her recent trip to India for her beautiful displays entitled The Colours of India. In line with current efforts to protect the planet, two of Jenni's arrangements were sustainable in that no floral foam was used. The competition Over the Rainbow was won jointly by Maureen Smelt and Rachel Clayton. On 13 June Sarah Hammond's demonstration is entitled Sustainable Flower Arranging and this will be followed by a Jubilee tea (£10/head and guests welcome). The competition is Summertime in a Teacup. Patriotic coloured attire encouraged! New members are always welcome; come as a visitor first to see if you enjoy the afternoon.

For further information contact the secretary, Carole Swan, on 01692 536270.

# Horning Boat Show 2022

The 2022 Horning Boat Show took place on the Saturday 30th April where visitors from all over visited the show once again. It was wonderful seeing all our shops and businesses doing so well helped no doubt by the beautiful weather we were blessed with on the day.

We were pleased to have Tom Blofeld of Bewilderwood open the show and of course allowing us to use the Bewilderwood car park for the visitors which eased any potential congestion in the Village.

Much business was achieved by the exhibitors and the Charity Stalls had a very successful day which is very satisfying.

Thanks also goes to the many businesses who gave Auction lots which help raise over £1600.00 also thanks to our Bid Master John Buchanan.

Many thanks goes to our many helpers and Showshapers who help the show to the success it was and of course our Horning Boat Show Committee members who help make the show possible.

We are very grateful that the village supports the Horning Boat Show and many thanks goes to the team which undertook the job of making the Village look so smart, and of course by 6.00 pm on the day you would not have known the Horning Boat Show had taken place, everywhere clean and tidy.

Roger Tomkins & Colin Boakes  
Co-Chairmen.

## The 'Book Stall on the Wall'

What started with putting out a few books on the wall at the beginning of the pandemic has enabled us to raise a startling amount for various charities such as the NHS, our local church, and a homeless charity. The total has been over £4000 thanks to the contributions of villagers and visitors to Horning.

We were hesitating to bring back the Stall on the Wall again this year as we thought perhaps people had had enough of our venture but then the terrible situation in Ukraine, which started in March, motivated us to give it another go.

We are delighted to tell you that today, over a period of three months; the Stall has risen over £1,800. This has in no small part been because of your generosity both with donations of books and money (and some plants). We have also been overwhelmed by additional contributions added to the collection by those who just wanted to support the people of Ukraine.

We do hope you know how much you all are appreciated. Thank you again – we will keep you updated on how the fundraising is going over the next few months.

Best wishes

Thea and Peter Boshier

## Letter from a treasurer (St. Benedict's Church)

For many years the Church Staithe has been a popular destination for local residents and visitors, offering a beautiful and tranquil location as a walk destination, mooring a boat or visiting the church. It is like an island at the end of a path, with the island owned by the Church and the responsibility of the Church.

In recent years, increasingly in need of some tender loving care, while working in the adjacent dyke, Amis have kindly and for no charge, carried out some remedial safety work on the Staithe, as the photos above. It has become apparent a substantial amount of money will need to be spent, with estimates in the order of £35,000 that would ensure the future of the Staithe for the next 30 years and beyond.

Plans are now being put together on how this money can be raised, with one idea being users of the Staithe (boats) are asked for a contribution. All suggestions on where this money could be raised would be gratefully received.

In the Church accounts, I have set up a "restricted fund" where money received for the staithe will be kept separately and only used for the Staithe. This now stands at £3,000 so we have a start.

Thank you to all those who donate to the Church and should you wish to help in some way or make a donation, including for the Staithe, please contact myself or anyone connected with St. Benedict's Church.
