Mothers' Union: Rooted in Prayer

Prayer and worship are vital to all we do. Join us in prayer and make a difference in your community and across the world

Mothers' Union worldwide works in partnership with churches to serve God in local communities

In our daily midday prayers and global Wave of Prayer, members worldwide express our commitment in prayer to each other, praying for each Diocese in turn throughout the world

Our prayer and worship is central to our work. We believe that prayer can be transformational and can make a huge difference to lives on an individual and community basis

THE CHRISTIAN FAITH IS AT THE
HEART OF OUR ORGANISATION
