Statement from The Church of England

The Coronation will be a historic moment in the life of our nation, a time to reflect on our history, celebrate who we are and look to our future.

At its centre is a Christian service in which His Majesty will be anointed as King. It will be rooted in longstanding tradition and Christian symbolism. We offer our prayers for King Charles III and the Royal Family for this important occasion.

We hope that this might be a moment for the nation and many around the world to encounter the person of Jesus Christ, the servant King, and hear His call to each of us to serve others.

Safeguarding Learning & development
