## Please help keep St Eustace as a living church

St Eustace is a beautiful focus of our village. Whilst we recognise that not all in Ibberton will want to attend services in the church, many still wish the building to be cared for, and remain available for life events such as christenings, weddings and funerals and a place to reflect when tending the graves of loved ones.

**We continue to fundraise to enable the Church Community to flourish and make the church a lovely place to be, for generations to come. Please help by considering a regular donation today. Thank you.**

### Our Challenge

Many people think that our churches must receive funding from the Government, or support from a central body, after all we are looking after a very old building that is an important part of our country's history. This isn't the case. In fact, every Anglican church in England is looked after by the people who live in its parish.

Each year we need to raise in the region of £11,000 to fund the day to day running costs such as heating, electricity, Clergy and insurance, as well as necessary regular repairs.

Help is needed from everyone, if we are to continue to enjoy this irreplaceable asset in our community. Money raised will help fund the long-term maintenance and ensure we have a living church for generations to come.

You can support our church with a monthly donation
