Questions of life...?

Find out more at
St Edward's Church
... it could change your life!

In the Benefice of Castle Donington with Lockington
cum Hemington

Everyone should have the chance to explore faith, ask questions, and share their point of view. Never has this been more true as the world faces some truly challenging times.

Do you have questions about meaning and purpose? Do you ever wonder why people follow Jesus and what faith is really all about?

Do you ever feel that God is present in your life but you're not sure how or even why?

If the answer to any of these is **Yes**, then **Alpha** may be able to offer you a safe space to find out more.

No question is off limits and we hope that you will be able to explore some of the big questions of life together with others who are on a similar journey to find out more.

If you would like to speak to someone about **Alpha**, please contact the Church Office, details below. We will be pleased to answer any queries you may have.

To sign up for the course just fill in the form on the right and post it back to us - or return it by email to stedwardscastledonington@outlook.com.
