Why do we need church buildings?

One of the most common questions that a priest gets asked is ‘why do we need church buildings?’ The question is more likely to be raised when funds are required to undertake expensive repairs. It is true that church buildings are often very old, indeed centuries old, and it is equally true that they are expensive to maintain.

The well-used argument against having church buildings or spending money on them is that the people make up the ‘Church’ rather than the bricks, and that Jesus never spoke about building churches.

However, I would suggest that there is a much stronger argument for maintaining and keeping our wonderful and historic church buildings. Christianity is a historical religion and since its very beginning, Christians have been gathering communally in places of significance and creating memories from one generation to the next. Churches are visible signs of the holiness of God manifested in our towns and villages.

There are many good reasons why our church buildings should be loved and preserved. After all, it is these buildings that bear witness to those who have lived and died in our community, and indeed they also signal continuity to those who have not yet even been born. This is why so many couples want to marry and have their children baptised in our churches, as these are the churches in which they grew up. Couples and their families will often have a special connection to a church building that has spanned several generations.

A church building is the visible sign of the Gospel of Christ in the form of wood, glass, and stone. Our church buildings also witness to the reality of the incarnation: that God chose to dwell on earth with humanity in a real time and in a real place.

People and place matter. Christianity is not just a religion of the Spirit. To abandon a church is to close down the memory of Christian presence. This does not mean that there are times when there is no alternative; however, church buildings far from being seen as an obstacle or a financial burden should instead be celebrated for what they are: visible and physical reminders of God; reminders of the glory, splendour, and beauty of God.

“O how awesome is this place. This is none other than the house of God, and this is the gate of heaven.” Genesis 28.17

Praised be Christ, Revd Ben.

Coffee Morning

Thank you to everyone who supported the March Coffee Morning on 2nd March which raised £232.52. The Coffee Mornings are a great opportunity to meet up with village friends and get to know new ones, and the money raised helps to ensure that our village church and its churchyard continues to provide a peaceful sanctuary for so many who spend a few quiet moments there. The next Coffee Morning will be held on Saturday 6th April from 10.00 to 11.45, with coffee or tea, sweet or savoury scones, a raffle, produce stall and pre-loved books. Everyone is very welcome – we hope to see you there. The Coffee Mornings usually take place on the first Saturday of each month. However, in May and June there are important village events taking place on the first Saturday. On May 4th it's the Horning Boat Show and on June 2nd it's the 3 Rivers race – both events not to be missed. Because of these, the May and June Coffee Mornings will be held on May 11th and June 9th.

Churchyard working parties

Thank you to the group who came on 2nd March to straighten a few gravestones – we managed 10. We shall continue to work around the churchyard on further leaning gravestones on April 6th from 2.00 – 3.30. You don't need to be super-strong to be involved. We discovered last time that a little bit of careful trowel work was much valued. So we welcome anyone who'd like to join us on April 6th. A sharp spade or trowel would be helpful, but don't worry if you have neither!

Thank you, too, to everyone who came on March 23rd for the Spring churchyard clearance, and worked so hard. We are really getting on top of the work now, and providing a village churchyard which is tidy, but also has areas which are less cleared to enable wildlife to flourish.

Lent Lunches

For the six Fridays before Easter we have been holding a simple soup and sandwich lunch in St Benet's Hall in Horning to raise funds for charity. Thank you to everyone who has supported one or more of the lunches, and we are delighted that over £1000 has been raised to be shared between 6 charities.

Sea Palling Lifeboat

Think of a lifeboat rescue and you automatically think of the boat crew but in fact boat crew are only a part of the team and cannot operate alone. At Sea Palling Independent Lifeboat we are desperately short of shore crew, including boat recovery crew. We also need fund raisers to help sell our merchandise and raise the money to keep the service going. We use outside contractors when we have to but this eats into our much needed funds, our station always needs repairs and badly needs a lick of paint, our steel storage containers also need some repairs and painting. Is this something you could help with? You could play an important part in a life saving service without having to get into a boat!

To join the team call Dave on 07774 804848.

Horning Flower Club

Swapping at short notice with our scheduled demonstrator, Rachel Barnard presented Spring Birthday, colourful celebratory designs of beautiful spring blooms. As she worked she gave us interesting insight as to taking the qualification to be a NAFAS demonstrator. The competition Spring Flowers in a Piece of Junk was won by Rachel Clayton. On 8 April Brenda Tubb will demonstrate on her subject of Magic Moments and the competition will be Box of Colour.

Anyone interested in joining the club should contact the secretary, Carole Swan, on 01692 536270.

DEFIBRILLATOR LOCATIONS IN HORNING Updated February 2023

Defibrillators are devices that **send an electric pulse or shock to the heart to restore a normal heartbeat**. They are used to prevent or correct an arrhythmia, an uneven heartbeat that is too slow or too fast. If the heart suddenly stops, defibrillators can also help it beat again. Defibrillators are kept accessible to parishioners so that in an emergency a member of the general public can use it. The ambulance service knows the access codes for the defibrillators and advises people where their nearest defibrillators are. It is a good idea for you to know where your local defibrillators are:

Editorial

Having somehow taken over editing The Reach, I would like to give you a little background.

Jenny, my wife, and I moved to Horning two years ago having previously had a holiday home here for 10 years. During that time we joined the Sailing Club and Horning Walkers and had the Reach delivered each month. We were therefore no strangers to the village when we decided to move here permanently. When I saw that a new editor was needed and no one appeared to put themselves forward, I volunteered as I believe that The Reach is too important to lose. I have no journalistic experience so please be patient as I get into the job and try to get up to speed.

Two days ago the following email came with a request that it be put in the next edition of The Reach:

I just wanted to thank everyone involved with keeping Horning Reach in print.

Thanks to Adam for all his hard work over the last 3 years and to Mike for taking up the reins.

To all the people who distribute and deliver this little magazine.

It is what I use for local traders and to make sure I don't miss coffee mornings, clubs etc.

Keep up the good work everyone.

Julie Thomson

I have just done a quick count and find that 30 plus people are involved in producing and distributing The Reach in Horning and Ashmanhaugh. This is in addition to those who contribute articles each month. I think we should thank all of these together with Adam, the retiring editor, for their inputs to this valuable village resource. The editor is just one cog in a well oiled machine and I look forward to working with them all.

Mike Harris : hr-editor@outlook.com 07585 412871

A final note: If anyone has photos they think might be suitable for the front cover, please let me know.

A second final note: Thanks to all contributors for getting articles in on time, it has been a great help to me.

Ashmanhaugh & Barton Wanderers Cricket Club

A belated Happy New Year from all at ABWCC!

Lots of work has been done behind the scenes to prepare for the new and very exciting season ahead, which will begin with in April.

In December we held the club AGM at The White Horse Neatishead where we welcomed a new chairman, longtime player Ami Mishra takes over the reigns from Harry Buxton. Harry remains involved and will lead a fundraising team (amongst other things!) as well as continuing to run junior age groups as well as playing himself.

Over the winter months we have competed in the North Walsham Indoor League and indoor training has been very well attended by all age groups throughout the winter. Outdoor nets will commence shortly, fingers crossed for dryer weather!

Some of our players have played cricket overseas during the winter and we look forward to getting them home for what we hope will be a stellar season.

We are in the process of preparing the pavilion at Barton Turf as our 1st XI steps up into the East Anglian Premier League, lots of improvements & refurbishments are necessary to meet the strict requirements.

We're very grateful for the help of our neighbours at Cox's Boatyard for supplying the new changing room to Barton Turf.

Lots of work still to be done by our band of volunteers as our Ashmanhaugh ground and the Barton Turf ground are both prepared for action.

2024 will see the club fielding 4 Saturday teams, Sunday teams, T20 teams, Cup teams as well as junior teams in every age group.

We are always welcoming new players, please get in touch if you would like to join the club, any age and any ability can be accommodated, you would be made very welcome.

As ever we are grateful for the volunteers we have but are always looking for more! If you feel you could help at all please get in touch.

Our 1st XI need an occasional scorer to fill in a few dates where the usual scorer is away (remuneration & lunch included)

Junior training is due to commence at Barton Turf on April 19th, please keep an eye on social media or contact the club for confirmation nearer the time – as this is outdoor it remains weather dependant.

All new juniors are welcome to drop in and see what we do, all age groups are covered, look out for an exciting new announcement regarding our lead coach very soon.
