**Deadline for the
July
Magazine is
14th June**

Welcome to this June edition of the Parish Maunder magazine. What a wonderful May we have had this year, albeit a bit chilly in part of the second half of the month. For most of the month all I could hear were the sounds of lawn mowers, strimmer's and chain saws, a good time for catching up on those aspects of garden maintenance. Anyway, I too have been busy catching up with those sort of things and finally 99% won my battle with the dread ivy invasion of our hedges and planting the final new hedging which I have been growing on for a couple of years now. In our churchyard we have been planning to brighten some of our old forgotten kerbed graves which would only produce unwanted weeds. So with the help of a couple of volunteers and generous a donation of garden vouchers given to the church, this last month we have been planting a variety of flowers which should last through the summer and hopefully beyond. I will let you how they are doing next month. See you then.

A Prayer for Ukraine

*Most holy God and Father,
hear our prayers for all who strive for peace
and all who fight for justice.
Help us, who today remember the cost of war,
to work for a better tomorrow;
and, as we commend to you
lives lost in terror and conflict,
bring us all, in the end,
to the peace of your presence;
through Christ our Lord.
Amen.*

A PRAYER FOR THE HOLY LAND

God of justice and peace, we hold before you the Israeli and Palestinian people in all their need, pain, and fear. Bring an end to humiliation, injustice, corruption and violence. Prosper all who work for peace with justice, that all the people of the Holy Land may know security and prosperity. We ask this through your Son, the Prince of peace, Jesus Christ, our Lord. Amen.

God in the Garden

Springtime in the garden is a period of intense activity with beds to prepare, seeds to sow, lawns to tend and weeding to be done. It is a time when the miracle that is nature seems to be most evident. What once appeared dead is now alive and blossoming.

After a cold and dark winter the world has come back to life and the birds can't wait to start singing to welcome in each new day.

No doubt, many of you have been busy in your gardens and, perhaps, on a particularly sunny afternoon you may have even joined in with the singing of the birds. Yes, of course, you will probably have experienced an aching back for your hard work, but that is no reason why you shouldn't pause to sing God's praises.

Now, with the long hot days of summer upon us we can hopefully look forward to a warm and pleasant summer. You may even have time to simply stand back, to look and gaze in wonder - *"What is this life if, full of care, we have no time to stand and stare?"*

For, if you pause and give yourself half a chance, you might just catch a glimpse of the wonder of God. You may see it in a rosebud, or a daisy; you may smell it in a newly mown lawn; you may hear it in the sound of the birds or feel it in the warmth of the afternoon sun. The transformation of a compost heap from kitchen waste to finest soil may help you to recognise the transforming and loving power of God in your own life to bring good out of the worst human circumstances.

And, just as seeing someone else's garden may inspire you to go and plant some seeds of your own so, if you get into the habit of looking for, and seeing, God in your life, you may find yourself sowing different kinds of seeds - seeds of kindness, seeds of love, seeds of joy. And you may begin to clear out some of the weeds that invade the little patches that are our lives. Some can be easily handled - weeds of grumbling, impatience and pettiness - others are more deeply rooted and need more effort to eradicate - weeds of hatred, anger, pride and violence.

Yes, life can be like gardening but, unlike gardening where certain times are best for sowing or weeding, in life we can sow good seeds at anytime. Just think what a difference it would make if everyone of us made a special effort to sow just a few good seeds every day.

Maunder Adult Brain Drain

This puzzle is called a Cryptogram. I've always loved doing them! At the top there is a KEY that lists all the letters from A to Z with a box below. Each of the letters has a corresponding number. You need to work out which number represents which letter.

The bottom part contains a secret phrase. Each of the blanks has a number underneath it.

I have given you three letters to get you started.

Finally fill in the letters that correspond to the numbers below the blanks to solve the phrase.

A Rainbow of Hope

God told Noah to build an ark because He was going to send a flood. During the flood, God took special care of Noah, his family, and the animals inside the ark. God takes care of you too. He washed away your sin through the water of Baptism and made you His special child.

After the flood, God put a rainbow in the sky. What do rainbows remind us of? As you find your way through the maze, put the letters your path runs through in the blanks in the ark.

Soft soled shoes please so we don't damage the Bowling Mat. We have a few bowls you can borrow just to try the game. Your first "taster" session is free and we don't have a membership fee, just £3.50 for the session when you play.

DON'T WORRY

A Joyful'toon by Mike Waters

Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Who of you by worrying can add a single hour to his life?

TIME FLIES

There is no cure for aging, because aging isn't an illness,
but a way of life.

And some are better at it than others.

The Secret?

Think yourself younger than you really are, on a crowded bus or
tube, offer your seat to a younger man,

Design a website, invent an app, take up Zumba, forget to nap.

For no one can predict what's lying in store,
with a future more challenging than ever before.

So enjoy the adventure.

Time flies they say, but it's us that fly.

Time sits on it's hands as we rush by.

And life has a way of gathering speed, so seize the day,

We're a special breed.

In the blink of an eye, the wave of a hand, the

beat of a heart, the brush of a tear,

You are old.

But valued still, welcome to the fold.

Is now open for private prayer, for a time
of gentle peace, and quiet reflection.

Open Monday to Friday during
school terms

Look for our 'Church Open'
Noticeboard at the Lychgate.

FOR YOUR PRAYERS

Please pray for families in our parishes who have
marked a significant family event in the last month.

*The Marriage of Andrew Kingston and
Diana Lawrence on the 21st June At St.
Edith's church, Grimoldby*

There are also a number of families
in our parishes facing serious and life
threatening illnesses, so please also
hold them in your prayers.

GENEROUS GIVING

What you can do to help your church.

We all know that times are now financially difficult, and generating
funds for your church is now more difficult than ever, threatening
the survival of some of our churches for future generations.

Regular giving from those who can, however small the amount of
donation is very important for cash flow.

Regular giving helps the church to plan for the financial year ahead,
ensuring our financial obligations can be met.

You can give by paying weekly or monthly by your bank's standing
order direct from your chosen
account.

If you wish to help your church by
regular giving, then contact your
church treasurer or churchwarden
for details.

Your church will thank you for it.

St. Edith's PCC

St. Edith's would like to give thanks to all volunteers that made our Easter Holy Saturday of light service on the evening of the 19th April such a success.

We particularly want to show our gratitude to our choir singers who gave so much time attending the many rehearsals and gave such a wonderful performance.

We also wish to thank the Co-op on Manby Middlegate for their generous donation of Hot-Cross Buns.

FREDA'S CHARITY SHOP

Continues every Saturday at
The Elms, Middlesykes Lane, Grimoldby.

Please do visit and support Freda in her most important work in raising funds for our local Charities.
