Teach us to live in the light of that truth, turning to you each day for the guidance and blessing you so long to provide, seeking above all the indwelling of your Spirit, through which you live in us and we can live in you. Amen

Holy Habit for July: Eating Together

At first glance, the Holy Habit of Eating Together seems like an easy one. Many of us enjoy eating together with family and friends and eating together is often a regular feature of church life. But this holy habit invites us to do more than simply consume food. It invites us to explore how we eat together and with whom.

Jesus was often criticised for who he chose to eat with. The feeding of the 5,000 in John's gospel (John 6:1-14) starts with a boy and his little picnic of five loaves and two fishes and ends with a meal for 5,000 people. This story demonstrates the generous love of God and invite us to share what we have with gladness and generosity.

Healing Rooms: This operates out of Costa Coffee. Thursday 4.30pm – 6pm
