

St Michael & All Angels, Chetwynd

Heavenly Father,

As August unfolds, we thank You for this season of warmth, rest, and refreshment. In the midst of holidays and slower days, draw our hearts closer to You. Remind us that true renewal comes not just from time away but from time with You.

Bless those who travel—keep them safe and mindful of Your presence. For those who stay close to home, grant peace and simple joys. May this month be a time to reconnect with loved ones, to marvel at creation, and to find stillness in Your Word.

Lord, restore our weary souls. Teach us to rest not only our bodies but also our minds and spirits in You. Prepare us gently for the seasons ahead, that we may return to our work and responsibilities with purpose, grace, and renewed strength.

*In Jesus' name, we pray,
Amen.*
