A Zimbabwean adventure!

We have recently returned from a mission to Zimbabwe.

It was a fantastic experience!

I was able to offer some teaching to young people; my wife, Danni, provided free eye tests, and our children simply embraced the culture and made lots of friends with local youngsters.

Thank you so much to everyone who supported our mission. I will be giving a detailed report of our activities at St Benedict's Church, Horning, at 3.30pm on Sunday 26th October, everyone is most welcome.

Fundamentally, the one thing that really struck me was just how happy Zimbabweans are. Zimbabwean life is so very different to British life: everything appears to be far more relaxed in the sun soaked openness of Southern Africa. In Zimbabwe, materialistically, life is really tough. Most of the local people do not have much money; they certainly do not have many possessions. They live in houses that lack running water, and the electricity can literally come and go at any moment!

Yet despite all of this, I witnessed countless numbers of happy people, from toddlers to pensioners. I observed people singing and dancing, smiling and laughing, folk simply enjoying their life and embracing a new day on God's earth. Of course, there is always a risk in a column like this that poverty becomes 'romanticised'. That is certainly not my intention.

Poverty is real; it is damaging, and it results in illness and death. However, poverty can also teach us some valuable lessons.

Our society is drowning with possessions. We work every hour that we can to ensure that we have the funds to buy a new house or a new car, but is that really what our lives are about? Is that really our legacy? Most Zimbabweans own very few items, yet the way they choose to live their lives provide us with some much needed wisdom.

The people of Zimbabwe do not rush around; they do not chase the clock, preferring instead to do things at their own speed. They prefer to chat and to take things easy, they resist creating a congested diary and their forced materialistic poverty results in a lifestyle that shields them from the temptations of possessions or being chained to a smart phone.

Poverty is real and it is hard. However, it can also help to focus the priorities of life.

Those priorities are ultimately not houses, cars, or possessions. In Zimbabwe, I encountered lots of wonderful and inspiring people who would say that their priorities were - God, family, friends, health, and embracing every single day and being grateful for what they have received.

Zimbabwe is often referred to as a 'developing country', whilst here in the UK we are viewed as the 'developed country'

Praised be Christ, Revd Ben.

First Saturday Monthly Coffee Morning

A big thank you to those who supported the coffee morning on 6th September. This raised £188 and will be used to help to maintain the churchyard and Church staithe, both of which are lovely places in the village to enjoy peaceful reflection.

The next Coffee Morning will be held on Saturday October 4th from 10.00 - 11.45 in Horning Village Hall. The Coffee Morning is run by church members, but everyone is most welcome. Coffee/tea, sweet or cheese scones, produce, preloved books and a raffle. Come along and enjoy a relaxing morning. It's a great way to catch up with old friends and to begin to make new ones. We hope to see you there.

Calling all singers. Christmas is coming and the Horning Carol Service will be held on Sunday 21st December at 6.00 in Horning Church. As in previous years, the carols will be led by a Pop-up choir who will rehearse on the 4 previous Wednesdays (Nov 26, Dec 3, 10, 17) from 4 - 5 pm in Horning Church. If you've been part of the choir in previous years, I have your contact details, but if anyone else would like to join, you are most welcome. Please contact me. You don't have to be able to read music, nor sing anything else but the basic tune. All that is required is enthusiasm! If however, you do read music and can sing alto, tenor, or bass, you'd be most useful. A few extra tenors would be really welcome! You may not be able to come to every practice; don't worry - we still value you coming as often as you can.

VJ Day thanks

I would like to thank the editorial teams of both the NIB and REACH for their August editions for their recognition of VJ Day 80.

Following my own personal mission to have this day finally recognised as the true end of the second world war I believe with your help this has now been achieved.

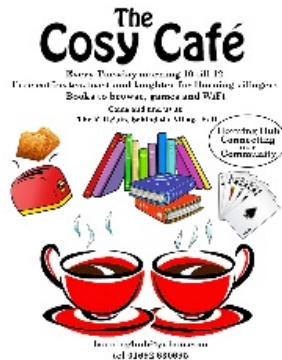

Thank you to Claire and the History Group for the amazing exhibition in the NVH and to the community of Horning for their afternoon and evening commemorations.

Finally, I would like to thank so many of you for supporting me and attending the VJ 80 Commemoration in Norwich Cathedral - it was wonderful to see so many familiar faces as I made my way through the Nave - Thank you –

Pauline Simpson

Horning Hub connecting the community

Horning Hub Cosy café, referred to by some as Toastie Tuesdays is open every Tuesdays until May. We are pleased to add an exciting monthly initiative until March called **IT and Biscuits** when we will host Holli Holmes, Community Tech Coach who helps with IT queries. The first session will be on Tuesday 30th Sept from 10 a.m. For further information refer to the poster IT and Biscuits in the Reach.

- **Supper and Lunch Club**

Twenty-one of us enjoyed a take away Fish and Chip supper from the Mermaid mobile chip van. It was a great evening and so we are very disappointed to learn that they will no longer be trading in Horning due to lack of

custom.

Two further gathering are planned on 10th October at the Ferry Inn, and November (date and venue to be confirmed

- **A New Horning Hub Venture: Singing for Pleasure**

After the VJ 80 gathering there has been a great enthusiasm expressed to continue with the singing group. We are calling it the Horning Hub Singers and Kathy has kindly agreed to lead five sessions over the coming three months. If you would like to be part of the Horning Hub Singers, do get in touch so we can add your name to the list and keep you up to date with plans. The proposed dates are Wednesday 17th and 24th September 1st and 8th October and 12th November. We will meet in the Mill Suite starting

at 4p.m. You may not be able to attend all these dates, but you are still welcome to come along when you can.

- **AGM:** October is an important month for the Horning Hub. The AGM. It is on Tuesday 21st October with cake! This is the time when Friends of the Hub elect the committee and make suggestions and proposals about activities they might consider organising.

- Plans for the **Hub Christmas event 'Made in Horning'** on Saturday 15th November, are being finalised. The stalls will offer items made by Horning folk (all tables are now reserved, with a waiting list in place). The Horning tap-dancing group comprising of local talent has agreed to take part. There will be a 'making' table for the children to enjoy as well as face painting. As previously mentioned, Father Christmas is keen to be there and is getting ready extra early this year so as not to disappoint you. Outside, the Miniature Steam Organ and Monzu Pizzas have also confirmed that they will be there. By popular demand there is a guest appearance from the Pie man.

Finally, but just as importantly, the village hall, Windmill Teas, will be providing light refreshments (we say YES please to the bacon butties).

The Parish Council is renovating the village sign. It is a time consuming and intricate task, which may take some months to complete

Scams.

The Parish Council has been made aware by the local police of a police initiative in Norfolk to combat courier fraud – a type of scam where criminals contact victims by telephone, pretending to be from trusted organisations such as the police, government agencies or banks. Victims are manipulated into withdrawing cash, purchasing high-value items, or sharing sensitive financial information, often under the false promise that the money or items will be returned.

If you are aware of a scam of any kind or know someone who has been affected, please contact the police on 101.

So with the summer behind us we are looking forward to the run up to Christmas. We have our monthly meetings with speakers all planned for the 3rd Wednesday of the month. Our Harvest Supper is on Monday 27th October at 6.30pm with our guest speaker Wally Webb. Lots of members enjoyed our theatre trip to Cromer end of pier show. We managed to get back safely before the rain came. I am pleased to report that Stephanie Cooper won our bowls trophy this August.

If you would like any information about our group please email us on

Sally Church, President

Horning Flower Club

At the September meeting of Horning Flower Club members were entertained by local demonstrator Crystal Dyball. Crystal is a longstanding favourite of ours and we were not disappointed by the excellent colourful floral arrangements which she so skilfully produced. The lucky winners of the raffle took these home with a big smile on their faces.

Horning Flower Club meets on the 2nd Monday of the month in Horning Village Hall commencing at 2pm (doors open at 1.30pm). Our new programme commences in October when the AGM is held prior to the meeting, new members are always welcome. The demonstrator will be Naomi Wells with a topic "Stories". Naomi is a new demonstrator to our club, so something to look forward to.

Further details can be obtained from the Secretary Carole
Tel. 01692 536270.

My Sister Jill Trevaskis.

To all her friends in Horning and beyond, those I saw and others who slipped away after the service, my sincerest thanks for coming. I'd been afraid that the Church would look fairly empty. Nothing of the sort. She had a really good send off.

Going to the Hub the next day, I felt a little nervous but every one there was kindness itself.

I feel so very lucky to have such a lovely bunch of friends.

Sally Noble.

Wroxham and Hoveton Lions Club

We had a successful Village Fete at the Community Centre at the beginning of August. For those readers who attended, thank you, and we hope that you enjoyed the day. The weather gods were, for the most part, kind, but if you did get caught in the short but intense rain that day, we hope it did not put you off!

As I write this in mid-September, we have just had another of our popular Craft Shows, which was quite well supported. Many of the exhibitors are very talented and their produce make great presents for almost any occasion. If you have not been to one of these Craft Shows before, do come to the next one. We do not charge for entry to the Craft Fairs, but do ask for donations if you wish to make one.

We will be holding a traditional Jumble Sale (Ladies and Men's clothing and shoes, Bric-a-Brac, linen etc) on Sunday 26th October from 10.00 am to 3.00 pm at Broadland Community Centre. If you are after bargains, this will be a good place to bag them! Please see the flier for further details.

Have you visited our Charity Shop in Wroxham Precinct? There, you will find good quality clothes, electrical items, books, CDs and DVDs, ornaments and jewellery, all priced to sell. The staff and volunteers are all very friendly and welcoming, so do plan a visit soon.

We are a small but successful Lions Club, celebrating our 50th year, but to carry on serving our community, we do need new members. If you have a few hours to spare, enjoy meeting new people and being part of the largest service charity in the world, look us up the next time you are browsing the internet, at wroxhamandhovetonlions.org.

Derick Bowler
PR Officer.

300 club winners are:

Sea Palling Independent Lifeboat

Signing Off Summer 2025 – Lifeboat Day

As we look back on a fantastic summer, Lifeboat Day 2025 has given our volunteer crew some truly special memories.

The weather couldn't have been better, and the day was filled with friends, families, and loyal supporters. We thank each and every one of you for being there.

A highlight, as always, was the East Anglian Working Newfoundlands. These incredible dogs never fail to draw a crowd, and it's inspiring to watch them doing what they love most. The day concluded with a reminder of why we do what we do. As things were winding down, a member of the public alerted us to a swimmer caught dangerously in a rip current. Our Inshore Lifeboat was launched immediately, and the swimmer was quickly brought safely back to shore.

For all involved, it was a powerful reminder of the importance of our training. Every hour of time, dedication, and commitment was made worthwhile in that single moment.

From all of us — thank you for your ongoing support. We love what we do, but we couldn't do it without you.

Kind regards

U3a Report for October 2025

The speaker at our September general meeting was Sarah Doig, talking about 'The A – Z of Curious Norfolk' and in October we will hear from Patrick Peal from the East Anglian Air Ambulance.

The photography group went to the Wind Energy Museum at Repps with Bastwick to photograph the machinery from past times. In September they are taking photographs on the subject of 'Not the whole thing'.

Our big event for September was the Open Day at Hoveton Village Hall, where we had beautiful displays from the art and photography group.

In all, we have 17 diverse interest groups, so if you didn't make it to the Open Day, but would like to know what we are about, please come to the next General Meeting. You can meet the members, find out about our groups and hear about the Air Ambulance.

The meeting is on Tuesday 21st of October at Hoveton Village Hall; the doors open at 2pm and the cost is £2 for members, £3 for visitors, including tea and biscuits.

October at The Museum of the Broads

Visit the Museum of the Broads and take a boat trip before we close for the season on Sunday 2nd November.

There is still lots happening at the museum.

And - we've maintained our policy to pay once and come back as often as you like for a year, from the date of your visit.

Sunday 26th October to Sunday 2nd November The Big Draw - Miniature Portrait Gallery

This Miniature Portrait Gallery is part of a national event *The Big Draw*! Our event is directly linked to one of our key exhibitions.

Philippa Miller painted, filmed, and recorded the Broads for many decades. Born to a boat building family in Oulton Broad in 1905, she loved everything about Broadland. We love the fact that we have the largest collection of Philippa Miller's work in our care. It enables us to show some of the incredible and varied output of a talented artist inspired by the Norfolk and Suffolk Broads.

And now, inspired by the miniature artworks in our Philippa Miller Exhibition, you can help us build a picture of who visits the Museum of the Broads. Sketch a miniature portrait of yourself (or someone else!) to include on our miniature wall of fame!

Halloween Trail – A Wherry Ghostly Trail!

It's October! It's spooky time! When it comes to Halloween no-one celebrates The Broads' spooky side more than The Museum of the Broads. Explore the Museum and follow the mysterious lights to find out about the ghostly Wherry, 'Mayfly.' Along the way complete the spooky tasks to reveal Mayfly's long-lost secrets. Discover them all and a piece of Wherry treasure

could be yours!

HORNING PRIMARY SCHOOL

Small School, with Big Opportunities

At Horning, children don't just learn about the world – they experience it. Outdoor learning runs through everything we do, from muddy play and imaginative storytelling to teamwork, problem-solving and woodland exploration. These are the moments that stay with children long after the school day ends.

Childhood is precious—and we believe it should be treasured every step of the way. From those first days in EYFS to the final year of primary school, we offer a joyful, nurturing journey where children are known, valued and inspired to to themselves.

Start your child's story with us, and let them grow in a place where childhood is celebrated and learning lasts a lifetime.

Two-Year-Old Places Available Now

We offer a gentle, joyful start for our youngest children in a calm, nature-rich setting.

- Government-funded places
- Specialist early years team
- Seamless transition to primary
- Outdoor learning every day

STAY AND PLAY Wednesdays 9.00–10.00

Come along for stories, songs and outdoor fun with our early years team. First session free – just £2 after that. Everyone's welcome – just drop in!

COME AND SEE FOR YOURSELF

We love to show people what makes Horning special. Get in touch to arrange a visit – we'd be delighted to meet you.
