

Securing the Future project

Architect's Drawings – initial design concepts

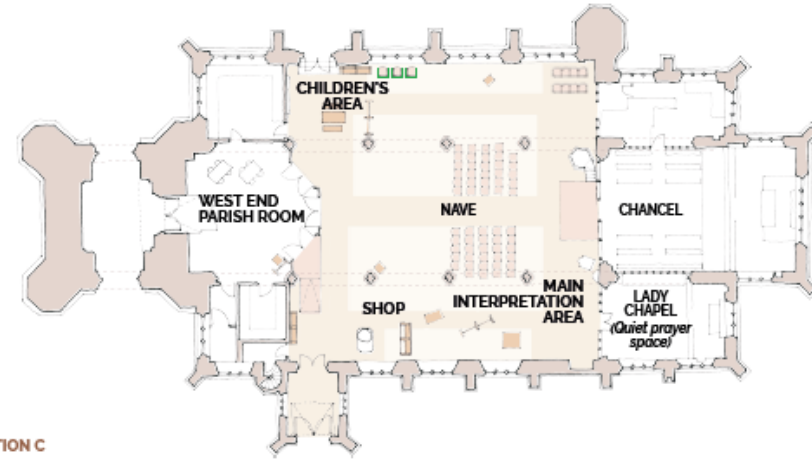

PCC Update: Securing the Future project (Phase 1) - Interpretation Plan & Architect's Drawing Exhibition

3 Options have been considered.

OPTION A

Visitor facilities and refreshment/ activity facilities are remote.
Conflict between children's activities and quiet prayer space.
Flow for church services unaffected.

OPTION C

Visitor facilities and refreshment/ activity facilities in good or reasonable proximity.
Shop furniture needs to close up for church services to avoid conflicting with the tone set for worship and use of the font for baptisms.
Entry for church services unaffected.

Securing the Future of St Mary the Virgin, East Bergholt

Opportunities to re-order the church to improve accessibility, welcome, and comfort

PCC Update: Securing the Future project (Phase 1) - Interpretation Plan & Architect's Drawing Exhibition

Option B has been developed further.

Visiting the church

Interpretation themes

OPTION B

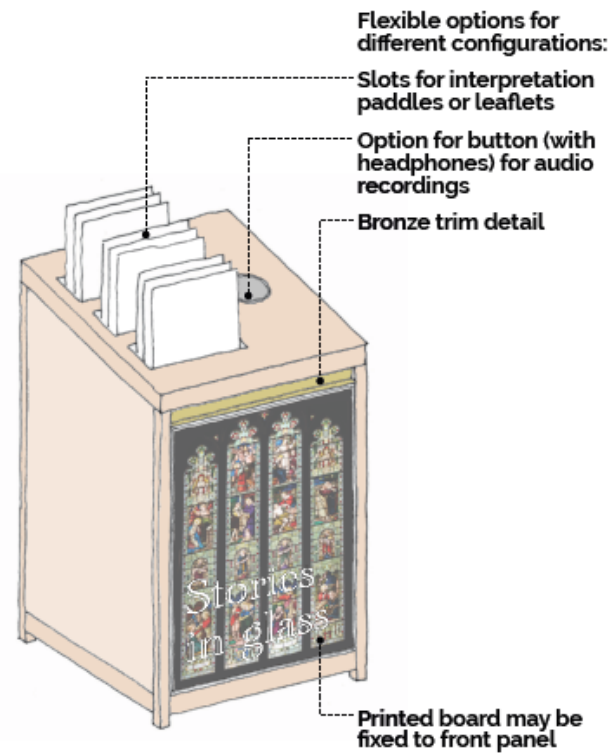

Visitor facilities and refreshment/ activity facilities in good proximity.

Shop furniture closes up for church services to avoid conflicting with the tone set for worship and use of the font for baptisms.

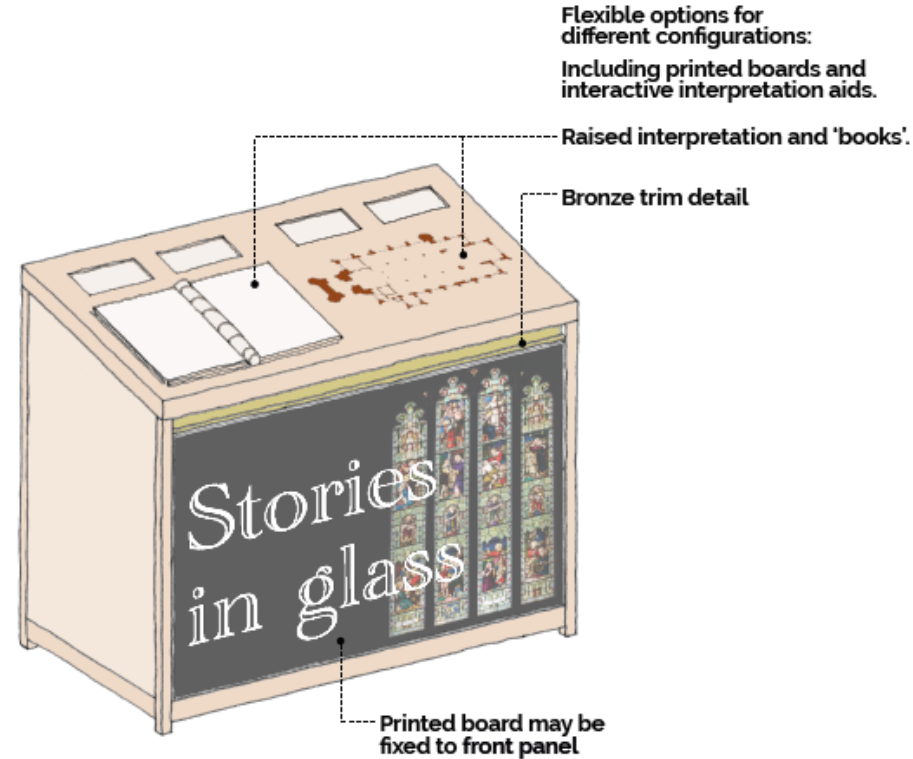

Entry for church services via West End avoids shop.

Attending church services

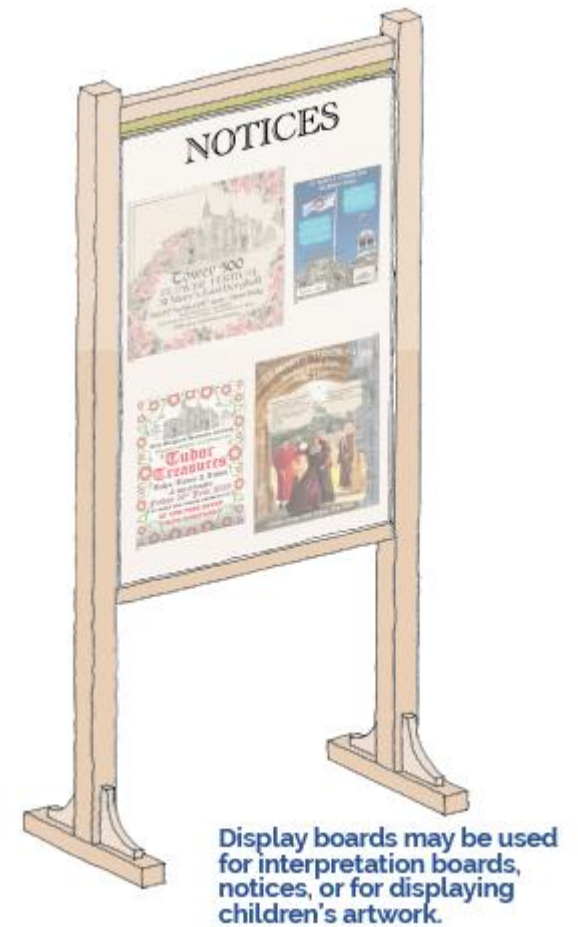

Interpretation furniture concepts

'Mini' interpretation points will be distributed around the church e.g. to provide subject-specific interpretation.

'Full' interpretation points will be located in dedicated interpretation area(s).
