## BENEFICE

Today is **Disability Sunday**, when we will be thinking about all who face additional challenges in life. We will celebrate success and pray for all who work towards equal access and opportunity for all.

### Dear Friends

This past week has been an unsettling one in both Dolphinholme and Quernmore, where the cross of St George has appeared in various places. Whilst celebrating what makes us proud is not, in itself a bad thing, anything that causes pain and division has no place in a loving and caring community.

The view of the Christian Church is that reconciliation lies at the very heart of our faith. In the death and resurrection of Jesus Christ, God is reconciling the world to Himself. Whatever our differences, as individuals, we are united in seeking to follow Christ's example of reaching out in love, hope and compassion and, like Christ, we must be ready to call out anything that has potential to divide us, whether intentional or not. The clergy are happy to discuss this further.
