BENEFICE

Our current **Benefice Youth Group** are all growing up and moving on to colleges, apprenticeships etc. Their membership of the **P. I. E Youth group** has greatly enhanced their prospects, with one young person about to start an apprenticeship with BAE Systems, where his work with P. I. E helped secure his place.

P. I. E meets mostly outdoors, once a month and usually on a Saturday, where possible. Lunch is provided (often bacon butties but vegetarian option available!) The group volunteers with local environmental projects, learning new and valuable skills that help to build confidence working with others but also on their own, whilst also learning how to work in partnership with God to care for his beautiful creation. Anyone of High School age is most welcome and leaders have all completed all necessary Safeguarding training, as well as pediatric first aid training. In the first instance, please contact **Rev'd Cindy or Rev'd Pippa** if you would like to know more (contact details on the back of the pewsheet) The next meeting of the group will be at Tarnbrook, on 27th September, from 10am until 2pm (lunch provided) Please let us know if you're going.
