

St Michael & All Angels, Chetwynd

A Prayer for October

Heavenly Father, as the leaves turn and the seasons shift, we lift up our local and national leaders to You this October. We pray for all those in positions of authority — regardless of party or persuasion — that they would seek wisdom, truth, and justice above personal or political gain.

Grant them discernment in their decisions, courage in the face of adversity, and compassion for the people they serve. May humility guide their hearts, and may Your peace reign in their councils and conversations.

Lord, help us as citizens to engage respectfully, pray faithfully, and seek unity where division tries to take root. Remind us that all authority is under Your sovereign hand, and that we are called to pray for our leaders with grace and hope.

Bless our nation, our communities, and all who serve within them. In Jesus' name we pray,

Amen.
