

A Prayer for Harvest

Gracious and loving God,

**We gather before You with grateful hearts,
Thankful for the abundance of this year's harvest.**

**You have blessed the earth with sun and rain,
And watched over the work of our hands.**

**As we bring in the fruits of the fields,
We remember that every good gift comes from You.
Bless the farmers, the labourers, and all who have toiled,
And grant them rest and joy in their labours.**

**Help us to share generously with those in need,
To care for Your creation, and to use its gifts wisely.
May this harvest remind us of Your faithfulness,
And inspire us to live with thankful and generous hearts.**

**Lord, as we celebrate this season,
Fill us with hope for the days ahead,
And guide us to sow seeds of kindness, peace, and love.**

Through Jesus Christ our Lord,

Amen.
