As we approach the end of another year there is much to look forward to in these final two months in the life of our church.

Friday, the 7th November sees our annual Hollantide Fair held in Ballaugh Village Hall. Hollantide refers to the period surrounding the feast of All Saints and was the traditional Manx date on which farm workers were hired for the next twelve months, farm tenancies commenced, rents were paid and cattle were brought in for the winter.

Sunday, 9th November sees us remembering those of this parish and the wider world in Remembrance Sunday services.

Then on 30th November we move into Advent, as we remember and prepare for the coming of Jesus at Christmas. We would like to encourage everyone to make the most of December and the traditions your Church has to offer. Do make a point of coming to the Nativity in the Church, the Carols by Candlelight service and the Christmas Eve service. Details can be found on the left hand side of this page.

Wishing a peaceful Advent, and a very happy Christmas to you and yours.
