From one of our Readers

Faith

Most of us have faith in something. Whether it's your early alarm call from your phone or a gentle purr or tail-wag from a pet. We place our trust in something beyond ourselves.

It seems to be a deep human need — to believe, to accept something as true even without proof.

As our knowledge has grown over the centuries and our contact with other cultures has expanded, so too have the possibilities of what we can believe in. Yet with information constantly bombarding us, hour by hour, it can all become overwhelming. In the search for truth, confusion often takes hold — and we may wonder if the effort is even worth it.

We've even created artificial intelligence — impressive in its own right — but for all its brilliance, where is its heart? Where is its love, its emotion, its connection to our real needs?

Humanity broke its connection with the divine creator early in our story. From that point life became hard, unforgiving, brutal - it was never meant to be this way. Within each of us there are two hearts: one that pumps and keeps us physically alive and one which is emotional and longs for connection.

The divine creator couldn't leave us disconnected. Out of love, He made a way to restore the bond — allowing our emotional hearts to beat again with love that brings peace, contentment, joy, forgiveness, kindness, and deep understanding.

That reconnection came through the creator's own action — placing himself in the position to pay the cost of setting things right. The new story began when a young woman named Mary said "yes" to the divine creator — a debt that took thirty-three years to be fully paid, and is still remembered each year in the celebration we call Christmas.

We may, or may not have faith in God and yet each year we celebrate a festival that has, over time been overshadowed by consumerism.

As you prepare for your own Christmas this year, take time to seek the truth your heart longs to reconnect with. That is always freely available, no subscription required.

All the C's including Carols!

Our annual Christmas Concert in the Cary Methodist Church, where we rehearse on Monday evenings, includes not only traditional and more unusual carols but also Christmas songs and amusing readings.

The choir doesn't normally do concerts for itself, as a Registered Charity (reg. charity no. 1188547) its work and pleasure is to raise money for other charities and good causes. The income from this particular concert is shared between the choir and the Methodist Church.

The concert is at 7.30pm on Friday the 19th

December. There are seasonal refreshments in the interval included in the ticket price of £10.

Tickets can be purchased in advance from Bailey Hill Bookshop, Castle Cary High Street, or on the door.

Look forward to seeing you there for an evening of Christmas fun and a chance to join in with some of the carols we all know and love.

"That's two t's in Matthew", said Osric

As we come to the end of a full and purposeful Autumn Term, I continue to feel enormously proud of the vibrant life of our school community. North Cadbury Primary has been a hive of activity with learning, service and personal growth woven into our school days.

Recently, we were delighted to deepen our global connections through our work with the ASHA charity. We welcomed students from Delhi and learned about their experiences first hand. We were also inspired by a visit from School in a Bag whose message about the importance of educational resources around the world resonated deeply with our pupils. Both charities reflect values close to our hearts and we look forward to supporting their work through fundraising across the year.

Our families have shown wonderful generosity and care by packaging up shoeboxes to send as part of the Blythwood Shoebox Appeal, spreading joy and kindness to children in need.

Our pupils have also enjoyed enriching cultural and outdoor experiences. We were thrilled to attend the Wells Literary Festival and hear from the author Sam Sedgman. The children all bought books and were delighted to have them signed. Our younger students have enjoyed a trip to The Newt to explore pollination and mushroom growing while our Year 3 and Year 4 pupils are looking forward to forestry school trips in the coming weeks.

Our commitment to nurturing personal development rooted in our Christian ethos remains steadfast. I am continually encouraged by the way our children strive not only for academic excellence but also for compassion, curiosity and character. Their achievements across the curriculum have been wonderful to witness and their enthusiasm for the arts has been equally uplifting.

Phoenix Class in particular have embraced their vocal coaching sessions with great energy and joy. They are eagerly preparing

From the Bishop

We fear that we live in a world of increasing polarisation. Conflicts between and within nations play their part. The amplification of division and hostility by social media algorithms doesn't help. Culture wars exacerbate matters further. Sometimes it feels like common ground is disappearing from underneath our feet like a sandbar being overwhelmed by the tide.

In such a climate, it's good to return to the message that heralded the arrival of Jesus. 'I bring you tidings of great joy which shall be for all people' says that angel who announces the saviour's birth (Luke 2: 10). Jesus' story quickly includes all types and sorts of humanity. From local shepherds to exotic visitors from afar. I wonder what the conversation was like as they all crammed into the stable to see the newborn child?

Jesus' story quickly shows that not only is he for all people but that he needs all people. His family must have needed assistance when they fled as refugees to Egypt. Jesus must have needed help when his parents left him behind on a family outing to Jerusalem aged twelve. Jesus was constantly calling on and engaging with others as he went about his teaching and ministry.

Christmas joy for all people

What might counter the polarisation of our day? Amongst our greatest resource is to seek out the emotion that accompanied the news of the saviour's birth – joy. When we encounter joy – from that cup winning goal to the marriage of much loved friends – such moments are never the time for division and enmity. We're all far too busy shouting and hugging each other! The invitation of Christmas is to experience such joy afresh. Often, we see joy most obviously in children's experience of the season. Might we seek it for ourselves too? For joy breaks down divisions, overcomes barriers, reminds us that we are one.

'I bring you tidings of great joy which shall be for all people' says the angel. A very merry and joyful Christmas to you all.

At this time of year we are reminded of the hopeful message at the heart of the Christmas story:

“The light shines in the darkness and the darkness has not overcome it.” John 1:5

We also extend our sincere thanks to The Vale of Camelot Growers for once again gifting our school a magnificent Christmas tree. Its arrival always brings great excitement to children and staff alike. The only challenge is finding a way to reach the top!

From all of us at North Cadbury Primary School I wish you a peaceful, joyful and blessed Christmas.

NORTH CADBURY & YARLINGTON PARISH COUNCIL (PC)

Latest news and topics discussed at the PC meeting held in October 2025. Full minutes can be found on the parish website via the following link: <https://www.northcadbury.org.uk/meetings.php>

Welcome and Thank You to Cllr Cameron Knee who was co-opted unanimously onto the PC.

Brookhampton Development: The Chairman read out an update from David Harragin, Planning Consultant at Origin 3, “No change our end. Still waiting on the council to provide full pre-app feedback. It has been escalated and supposedly we will receive a response shortly, nothing yet. Once we receive it, we can start work on the final planning application and Public Consultation event.”

The Catash Inn as an Asset of Community Value (ACV): Councillors agreed unanimously that the PC should apply to re-list the Catash Inn as an ACV as the listing expired as of 7 October 2025.

Report from The Newt and Emily Estate (EE): Zoe Young, Community Liaison Officer, reported as follows:

- Work progresses well on the Farm Build and at Yarlington Lodge.
- We’re waiting for the planning approval for the Farmyard Hotel expansion to come through and in the meantime have been doing some low level enabling works at the site in preparation.
- There was an exceptional turnout for The George consultation in Castle Cary. We are currently collating all of the feedback to inform the next phase of planning. [Consultation plans available on the Parish Website under “News Updates”]

Wessex Water (WW): Matthew Kettle, WW Sewerage Data Technician, presented WW plans for remedial work to the sewerage system in North Cadbury and Galhampton. Councillors and residents outlined the issues in Mitchells Row, Brookhampton, which Matthew agreed to feedback and investigate. No works would be carried out until Spring 2026.

Rights of Way: The Chairman reported that a resident had raised issues with WN19/104 with EE. The hedge along the lane required cutting back in order that vehicles could safely access the route without hanging to drive partially on the track and partially in the drainage ditch. The EE Farm Team were due to address this.

There had been no update from Eve Wynn, SC Footpath Warden, with regards to the badger survey from Keir Construction on WN19/105 (Ridgeway Lane).

The Chairman asked for residents to continue to report any issues via the Explore Somerset website <https://roam.somerset.gov.uk/roam/map>.

Light Pollution from North Cadbury Business Park: The Clerk agreed to write to Taylors Coaches to ask if they could re-assess their security lighting, which was left on permanently and not operated by PIR.

Hedges: Cllr Rundle reported that despite the PC writing to the homeowner, the hedge encroaching the public highway on Cutty Lane had not been cut back. He would discuss this issue with Cllr H Hobhouse to ascertain whether this was on the SC enforcement list.

Next Parish Council Meeting:

Will be held at 7.00pm on Wednesday 28th January in Galhampton Village Hall (TBC).

INTERVIEW - Good news of great joy

Revd Sarah Sanderson, Pioneer Associate Vicar at St James, Yeovil, shares some of the things planned for Christmas and Advent.

Celebrating together with our communities at Christmas

How will you be sharing the joy of Christmas with your community?

I've got both a church role and a pioneering one. In church, we'll have our carol and Christmas Eve services, plus a Christingle at the local garden centre which is joyful, and a lovely way to share the story of Jesus. We're running a 'camel hunt' through Advent. Families will find camels with words that build the Christmas message. It's fun, creative, and gets people talking about Jesus.

In my pioneering role on a new housing estate we'll go into school to make Christingles and share the story in assembly. Our toddler group will have a Christmas sing-along nativity, and our youth group will celebrate with a party too.

Why do you feel it is important to share the Christmas message in different places?

Some people feel daunted about coming into a church. It can feel less daunting to go to something that's

clearly Christmassy, but not quite as formal as church. It's a great opportunity to open up the invitation. It is sharing with people that there's so much more to the Christian faith than just the Christmas season itself. We can invite people to understand they are welcome not only within church but to God himself.

How will you explore the Christmas story with young people?

A lot of young people haven't really heard the Christmas story in the way we might assume. So it's a great opportunity to share it afresh. With the toddlers, I do it through songs they already know, just changing the words slightly so they can learn the Christmas story that way.

The Christmas story and the Christian faith are becoming less well known. We've got a new generation who don't know the Bible stories, they don't know who Jesus is. That gives us an amazing opportunity - a clean slate - where we can come in and say, "Hey, there's this person, Jesus and this is who he is." Which is a really exciting place to start from.

Human nature is like a stable inhabited by the ox of passion and the ass of prejudice – animals which take up a lot of room and which I suppose most of us are feeding on the quiet. And it is there between them, pushing them out, that Christ must be born, and in their very manger he must be laid. Evelyn Underhill
