WELCOME

As I write this, the Anglican Church is celebrating the news of the appointment of The Rt Revd and Rt Hon Dame Sarah Mullally as the 106th Archbishop of Canterbury. + Sarah was my Diocesan Bishop whilst I was serving in London Diocese, and she also ordained me as Deacon at St Paul's Cathedral on September 26th 2020. I have met her on a number of occasions, and was privileged, shortly before my appointment to the United Benefice, to serve as deacon alongside her as she presided and preached at the Eucharist at St Mary's Abbots, Kensington.

I commend +Sarah to you as someone who offers a ministry which is wise, kind, and hopeful. She embodies courage, compassion and generosity. She has shown herself to be someone who in her current role as Bishop of London has been able to draw alongside others, celebrating diversity of theology and practice, and yet drawing brothers and sister in Christ together in fellowship and prayer. This is a true gift for our Anglican Communion as we seek to find our unity in Jesus Christ.

Sarah has spoken very powerfully about her calling and her hope for the Church in a 15 minute video which is available on the Archbishop of Canterbury's YouTube channel. I highly commend it to you. I particularly loved her speaking about her vocation – which hasn't changed despite different roles as a nurse, then in NHS leadership, then as a wife and mother, a priest and a Bishop. She said that her vocation has run through all of those roles, because her one vocation is to follow Jesus Christ.

I pray that as we celebrate the news of our new Archbishop Sarah, we too can take the opportunity to thank God for His calling on her life, and His calling on ours too. May you remember that, however you live out your calling, in whatever roles and responsibilities in or outside of the Church, your vocation too is to follow Jesus Christ, and to make Him known.

With every blessing

I'd just like to say a massive thanks to all those people who have helped and supported me along the years with our Young Generations youth club. After my 10yrs+ monthly youth work with Tweens and Teens and then Young Generations I feel it's time to hand over the baton. It has been a real honour to work with such amazing youngsters and people so thank you and well done to Faye Vereker and Cain Ormondroyd for taking over the role. YG s you are left in their great hands! I look forward to seeing you all shine!

Emma Brantley-Tziros

As Autumn's colours fade and winter's stillness begins to settle in, we pause to give thanks for God's steadfast love and His guiding hand through every season. The turning of the year reminds us of His faithfulness—present in times of change, constant in times of uncertainty.

In November, we remember with gratitude those who gave their lives in the cause of peace and freedom, and we pray for all who still live with the pain of conflict. May we continue to walk in the way of Christ, the Prince of Peace.

As December begins, we enter the season of Advent, and our hearts turn toward the amazing story of the birth of God's only Son our Saviour Jesus Christ. In Him, light shines in the darkness, peace is offered to a weary world, and hope is born anew.

"The light shines in the darkness and the darkness has not overcome it"
John 1: 5

Here at Warton Church our wonderful Mum's and Toddler's group, Little Stars continues to meet regularly every Thursday morning from 9 -11am during term time. Coming to this group is a great way for new families to meet together and make lasting friendships.

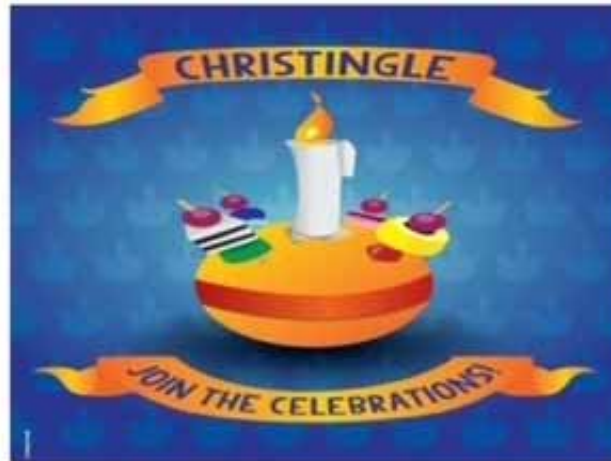

After our ever-popular Messy Halloween at the end of last month we look forward to our next Messy Church event which this year is on Sunday 7th December. This is an all-age event so everybody is welcome to come and join in the fun. As well as making Christingle Oranges we will also be doing lots of other fun Christmas crafts and games. At the end of the session there will be a short Christingle Service followed by a collection for The Children's Society.

Our Sunday morning services continue at 10am each week including Christmas morning. Please feel free to join us on any Sunday where you will receive a very warm welcome. We also hold regular Prayer meetings and house groups as well as a monthly Men's Breakfast.

If you require any further information for any of these events please contact Rosie Marsh on 07710916091

Helping Homeless People

Do you feel uncomfortable walking past people who are homeless? Maybe you feel you should do your bit to help them, but you are not sure how to do it?

One very practical way you could help them would be to donate to Lancaster and District Homeless Action Service (LDHAS). This is a charity that offers services to local homeless people and those in housing poverty. These include practical help such as breakfast and lunch, showers and laundry facilities, clothing, medical support, access to phones and assistance with form filling. They also offer advice and information about claiming benefits, accessing housing, drug and alcohol treatment services and employment.

It costs the charity a lot to provide these services so they are always grateful for financial contributions. If you wish to make a donation you can do so through their just giving site

<https://www.justgiving.com/charity/ldhas>

You can also leave donations of food and clothing in the boxes at the back of St Oswald's and St John's Churches.

They would be very grateful for donations of clothing suitable for 30 – 40-year-old men particularly jeans sizes 32 – 34", boxers, t-shirts, trainers and socks.

They would also be grateful for donations of food to help them provide breakfasts and lunch, particularly long life semi skimmed milk, tinned vegetables, cereals, coffee and sugar.

Inspire Believe Achieve

This half term in school always has a celebratory undertone which brings light and colour to the often-gloomy darkened days. This year is no different.

We start in early November with a special lesson led by Rev. Alice at St John's Church about All Saints and All Soul's Day. The children will have the opportunity to look closely at the graveyard and to remember important people who they have lost and celebrate them too.

We will come together for Remembrance at the cenotaph in Yealand Redmayne and the Worship team will lead us in prayers after a time of silent reflection. It is important that children get the opportunity to experience these events, so they understand their importance and learn about the expectations of their behaviour during respectful times.

Then we will be singing and dancing our way through December- you can join us at Yealand Village Hall and Leighton Hall during the Cancer care event.

You are also more than welcome to join us at St. John's Church on **Tuesday 9th December at 2pm** where we will present our Whole School Nativity or come and join us on **Saturday 29th November** in the Village Hall for a Nearly New Sale/ Christmas Fair event.

As we come to the end of the year, I would like to take this opportunity to thank all those in the community who have helped Yealand School this year. Those kind and generous acts have made an amazing impact on our school, and we are all grateful for your support.

On behalf of all of us here at Yealand School, I would like to wish you all a very Happy Christmas and a magical New Year.

As always, it has been a busy start to the new school year. We have welcomed our new children into Class 1 and everybody else has been getting settled into their new year groups. Early in the term, our new School Council were voted in by their classmates. They will work with Miss Hughes to organise fundraisers, fun events and social action activities. Each class has taken it in turns visiting Warton Bowling Club on Wednesdays and learning a new skill. Hopefully some new members for the club in years to come. We have celebrated harvest, giving thanks for the food we have, the hard work of the farmers and thinking of those in need. Rev Alice led the children in a worship assembly and we had a food collection for Morecambe Bay Foodbank.

We have been lucky enough to have been given an allotment. Class 1 have been put in charge and have been planting onions and garlic. Class 1 have been busy with their learning and as a treat, had a visit from Animal Care's dog, Maggie.

A scary band of pirates invaded Class 2 earlier in the term to launch their new reading and writing project. They took part in a treasure hunt around school and had a great day. Class 2 have also started on their Art topic, learning to use clay carefully to create figures. We look forward to seeing the finished products.

Class 3 have been on a trip to Morecambe for the day and visited the Lifeboat Centre. They finished the day off with an ice cream.

Class 4 have started the year with a residential visit to Robinwood Activity Centre in Wrexham. They had an amazing time and came back very tired with a lot of washing! Year 2 and Year 6 have had their annual visit from the Fire Service. Year 2 had a lesson on Fire Safety, learning how to be safe at home. They also dressed up and took part in a drama, learning how to get out of the house safely. Year 6 had a talk on safety while out and about in the village, and on the way to and from school.

We are already looking ahead to next year and would like to invite parents of children due to start school in September 2026, to come to meet us and have a look around our school. Please come along on:

Wednesday 5th November at 10am

Friday 14th November at 9.30am

"Autumn... the year's last, loveliest smile." – William Cullen Bryant

Let's keep our seas plastic free!

That is the campaign we are organising in Junior Church. During the Season of Creation we have been thinking about God's gift of water and particularly about the damage that is being caused to his creation by the amount of plastics in our seas.

Did you know that every year 400 million tons of plastic is produced and half of that is designed to be used once and then thrown away? Given that plastics take 400 years to break down, and only 17% of the plastics produced are recycled, it is no wonder that there are

now thought to be 171 trillion pieces of plastic in our oceans!

This plastic is causing all sorts of problems. 10% of all dead animals found in beach clean ups were entangled in plastic. 90% of sea birds are thought to be eating plastic thinking it is food and 52% of sea turtles have swallowed plastic bags mistaking them for jelly

fish. The plastics in the sea are making the water more acidic, making it harder for creatures to breath and grow shells.

And we are not immune from the problems either. Microplastics have been found in human food including tap and bottled water and salt.

So, what should we be doing about this? We think there are three important ways to tackle the problem and we can all play our part.

1. Remove the plastic that has got into our oceans.

Here are a list of a few of the many charities who are working to do this. Maybe you would like to support one of them?

The Ocean Cleanup who remove floating plastic accumulations from our oceans
<https://thebigplasticcount.com/>

Plastic Oceans who raise awareness, driving change and promoting sustainable solutions
<https://www.instagram.com/plasticoceans/>

Sea Life Trust Who campaign to support projects that help to reduce plastic from entering our oceans.
<https://www.sealifetrust.org/en/how-to-help/reduce-plastic-litter/>

People against plastic pollution who remove plastic pollution from UK marine environments and coastal regions including in remote areas

<https://papp.charity/>

World Wildlife Fund a global environmental charity

<https://www.wwf.org.uk/learn/environment/plastic-pollution>

2. Prevent it going in

Are you doing your bit to prevent plastic from entering our rivers and seas? Do you pick up litter and take your rubbish home? Could you join in organised litter picks? Do you wash your recycling and make sure your recycling bin lids are well secured? Do you avoid flushing plastics of any kind down the toilet? Could you lobby manufacturers to use less plastic or sign up for the Big Plastic Count 2026

<https://thebigplasticcount.com/>

3. Use less plastic

Are there changes you could make so that you use less plastic? How about eating ice cream from a cone, changing to teabags that don't contain plastic or buying only plastic free chewing gum? How about giving homemade party treats instead of plastic ones, steering clear of glitter, or taking your own container to a takeaway? Could you ditch the cling film, use wooden chopping boards or snack on fruit instead of crisps and sweets?

We are sure that there are lots of things we can all do to help with the massive problem of plastics in our oceans and if we all do those things, we will be playing our part in looking after God's wonderful creation!

Do get in touch if you would like to know more about Junior Church. We meet in St Oswald's Church Hall from 11 - 12am with children aged 3 to 11 and under 3's accompanied by an adult. We explore our faith together through activities, games, crafts, songs, drama and fun! Visiting children are always welcome. For more information, contact Vanessa Alpin on 07746 790979.

A Christmas Prayer for Love and Peace

Loving God,

As we gather in the glow of Christmas, we thank You for the gift of Your Son—light in our darkness, hope in our waiting, peace in our longing.

Let Your love fill every heart and home this season. We pray especially for those who will spend Christmas alone.

May they feel Your presence beside them, and may kindness find its way to their door.

We remember those who carry grief—those who have lost someone dear and feel the ache of absence.

Wrap them in Your comfort, Lord, and let cherished memories bring warmth to their hearts.

Help us to be bearers of peace: to speak gently, to forgive freely, to welcome generously.

Let our celebrations be full of joy, but also full of grace for those who need it most.

May Your peace reign in our communities, Your love shine through our actions, and Your light guide us into the new year.

Amen.
